Established April 6, 1877

Juveniles Close Out Season

The Madoc Juveniles played their final game of the season last night before a good crowd at the local ball park.

This was the second game in a best of three semi-final series in the O.R.S.A. Juvenile B softball, in which Tweed defeated the home team 5-2.

The Juveniles were downed 4-0 by Tweed in the first game of the series.

Tweed will now enter the finals.

Crash Sends Eldorado Man To Hospital

Twenty-year-old Kenneth George Smith of Eldorado remains in Belleville General Hospital today with injuries he sustained in a single-car crash on a Madoc Township road, six miles north of here on Tuesday evening, around seven o'clock.

The late-model Ford Mr. Smith was driving was a write-off, estimated at \$3,000.

Apparently, Mr. Smith lost control of the car when he was eastbound on the gravel road. The car went into the north ditch, hit a large rock and landed on its right side.

Mr. Smith was alone in the vehicle at the time of the mishap.

Const. Bill Young of the Madoc O.P.P. was the investigating officer.

BIRTH

VANDEN ANKER - Ted and Margaret (nee Forestell) announce the birth of their son, Dwayne Michael, on July 20th, 1973, at Peterboro Civic Hospital. A brother for Martin.

DONALD M. DEACON

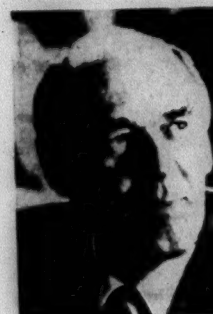

Donald M. Deacon M.P.P. (York Centre) the only declared candidate for the Leadership of the Liberal Party in Ontario, will speak at a reception to be held in the Tweed Hungerford Senior School auditorium at 8:00 p.m. on August 9, 1973.

Donald M. Deacon M.P.P. Only Candidate Declared

Donald M. Deacon will be addressing Liberal Party members and workers from the Quinte District. Following the speech there will be a question and answer period. At this time delegates will be elected to represent the Federal and Provincial Ridings of Hastings at the Leadership Convention which will be held at the Royal York Hotel, Toronto on October 28th.

Don Deacon is expected to discuss his reasons for seeking the Leadership of the Liberal Party in Ontario and the policies he would give priority to as Leader of a Liberal Government in Ontario.

BOB STANFIELD IN HASTINGS TOMORROW

ROBERT STANFIELD

Jack Ellis, M.P.P. Hastings, invites everyone in the Riding to meet Bob Stanfield, leader of the Progressive Conservative Party, in an informal gathering tomorrow, Thursday, August 9th, from 5:00 to 7:30 p.m.

Corn on the cob, hot dogs and soft drinks will be served to everyone attending, and entertainment will be provided.

The event will take place at Mother's German Restaurant on the Black River Road, six miles east of here, north off Highway no. 7.

This is the Riding's first opportunity to visit with Mr. Stanfield informally.

There will be only one speech, that of Mr. Stanfield, thus allowing more time for personal contact between the P.C. leader and those attending.

Busies have been arranged for Senior Citizens from all parts of the riding. One will be leaving here from Trinity United Church at 4:15 p.m.

Madoc Man Injured In Crash

A bus-car collision on Highway No. 7, just west of the Black River Road turn, around midnight last night sent a 20-year-old Madoc man to Belleville General Hospital with serious injuries.

In hospital with severe head and pelvic injuries is Morley Gordon Perrie, owner and driver of the 1970 Pontiac. The car which was valued at \$3,000 was a write-off. Mr. Perrie may possibly be transferred to

Kingston General Hospital today.

Also injured in the crash was a passenger in the car, 15-year-old Susan Robbins of Madoc, who sustained bruises. She was treated at the hospital and released. An elderly woman on the bus received minor injuries, but the driver and all other passengers escaped uninjured. A third person in the Perrie car, Tom Rivers, of Madoc, was not injured.

Driver of the 1970 GMC bus, owned by Voyageur-Colonial, was Keith McLaughlin of Kingston.

Both vehicles were eastbound at the time of the incident. Apparently, the bus was attempting to pass the car when the two vehicles side-swiped. Damages to the bus were estimated at \$9,000.

Const. R. Whitehouse of the Madoc Detachment, Ontario Provincial Police, investigated.

Approval For Road Development

Mr. Clarke T. Rollins, M.P.P., has been advised by the Honourable Gordon Cartier, Minister of Transportation and Communications, that the following Development Road Designation for the Township of Faraday has been approved.

The Laval Creek Structure and Approaches, Lot 29, Concession III, in the Township of Faraday.

Atoms Defeat Cayuga

On Saturday, August 4th, the local Atom team (boys 7, 8 and 9 years of age) travelled to Cayuga. Randy Gray allowed only three hits, walking none and striking out 13 batters in 5 and 2/3 innings. Billy Bateman, who shared the mound duties, gave up five hits and walked three batters.

Timmy Toms led the offensive attack with five hits, a triple and four singles. Billy Bateman homered, doubled and added two singles. Randy Gray had two triples and two doubles. Michael Franks slammed a home run. Dean Harris and D'Arcy Kirkwood each had a pair of singles.

The return game of the Ontario Rural Softball Association Atom "B" Series will be played in the Madoc Ball Park on Sunday, August 12th, at 2:00 p.m.

The winner of this series will proceed to the Ontario finals.

Line Score
Innings 1 2 3 4 5 6 7 Runs
Madoc Talc Kings 5 2 0 11 7 0 4 29
Cayuga 0 1 0 0 0 2 7 10

ROLLINS REUNION

The Rollins family reunion was held at Glen Allan Park on Crowe Lake, Marmora, on Saturday, July 28th, with an attendance of 63.

Prizes awarded throughout the afternoon's program were: youngest girl present, Katharine Hughes; youngest boy, Stuart Tufts; oldest lady, Ethel Rollins; oldest gent, Will Rollins; oldest married couple, Mr. and Mrs. Percy Rollins; lady traveling the farthest, Audrey Freeman, Fort Erie; largest family, Kathleen Wilson, Grimby; blanket draw, Lillie Hubble; bean contest, Elizabeth Hughes; Races - 7 and 8 year olds, Arlene Brown, Debbie Wilson; 9, 10, 11 and 12 year olds, Julie Douglas, Marlene Wilson, Shelly Rollins; 12, 13 and 14, Janice Frost, Terry Rollins, Peggy Rollins; 9, 10, 11 and 12 year old boys, Scott Rollins, Tony Douglas, Danny Brown; Wheelbarrow Race, Terry and Peggy Rollins, Shelly Rollins and Janice Frost, Danny Brown and Tony Douglas.

During the business discussion, Robert Rollins was nominated for the position of second Vice-president. Next year's picnic is to be held at Marble Point Lodge on Crowe Lake at Marmora.

Mr. Bill Lahey was elected Vice-president, while Mrs. Bernadine Bosley of Eldorado and Mrs. Mary Forestell were elected Secretary and Treasurer, respectively.

CHIEF INSPECTOR J. H. HATCH

CHIEF INSPECTOR HATCH RETIRES

The retirement of Chief Inspector J. H. Hatch, director of the Anti-Gambling branch, effective July 1, 1973, was announced recently by Commissioner H. H. Graham, of the Ontario Provincial Police.

Chief Inspector Hatch, 62, joined the force in 1938 and served at Marmora, Belleville, Kingston, Madoc and Essex before being promoted to Inspector in 1961 and transferred to General Headquarters to head up the then newly formed Anti-gambling Branch.

Chief Inspector Hatch served the force and lived in the Madoc area between May 1944 & June 1955, during which time he made many friends in this area.

Between 1955 and 1957, as commander of Essex Detachment, Sergeant Hatch spearheaded the drive that resulted

in the closing of the largest gambling Club in Western Ontario and the conviction of its Canadian Operators.

Himself the child of a Toronto Policeman, Chief Inspector Hatch has two sons, both of whom are Policemen: John is a corporal with Chapleau Detachment of the Ontario Provincial Police and James, formerly with the Windsor Police Department. In addition, Chief Inspector Hatch has two daughters and 11 grandchildren.

Chief Inspector Hatch was one of the last still-active members of the Khaki-Clad O.P.P. Motorcycle Patrol which was disbanded in 1941.

In retirement, Chief Inspector Hatch will continue to reside with his wife on Wilson Road North in Oshawa.

MADOC AREA LIBERALS ORGANIZE

On Wednesday or last week, several residents from Madoc and Madoc Township met in the Town Hall in the first organizational meeting held in the area in recent years.

Renewed interest in political matters brought various citizens together to hear Mr. Charlie Bates, President of the Hastings Provincial Riding Association, speak of Liberalism, both provincially and federally, and the interest that is developing in the problems that face our citizens.

Mrs. Janette Berry, Secretary of the Provincial Riding Association, and a student of political science, explained her roll in organizing in the area. Changes in the Liberal Party thinking and the establishment of the LPO, a Liberal Party in Ontario, as the official organizations at both the Provincial and Federal levels in Ontario may now be channelled by people through the one organization.

Jim Watson of Madoc was elected President of the Madoc and District Association in a closely-contested race with Mike Quinn, also of Madoc. In his brief remarks, Mr. Watson stated it would be his goal to contribute to the development of the organization's party policy so that Liberals in Ontario would have an established identity providing a reasonable alternation for the electorate at large.

Mr. Bill Lahey was elected Vice-president, while Mrs. Bernadine Bosley of Eldorado and Mrs. Mary Forestell were elected Secretary and Treasurer, respectively.

Council Discusses Service Rates

A special meeting of the Madoc Village Council was called last Thursday afternoon, August 2nd, to discuss the proposal of the Ministry of the Environment to provide water and sewer to the unserved dwellings in the Village.

Present at the meeting were

Reeve T. C. Barton, Deputy Reeve Kel Kincaid, Councillors Clayton Smith, Robert Kirkwood and Robert Graham. Also in attendance were Mr. Archie Forsyth, Project Development Branch of the Ministry of the Environment and Mr. Douglas Lee, of J. D. Lee Engineering Co. Ltd.

Ways and means of financing the Ministry's proposal were discussed in detail. The proposed typical home annual charges of \$157.52 for sewerage rates and \$194.18 annual water charges plus the present \$42.15 surcharge per annum for disposal is, in the view of members of Council, excessive and beyond the means of the people of this Village. No solution to the cost problem was approved.

A motion was made by C. Smith, seconded by R. Graham, that the Council attempt, through Mr. Clarke T. Rollins, M.P.P., to approach senior government officials and the Provincial Cabinet in an effort to secure additional grant funds so that the overall costs may be reduced to within the means of the municipality. The motion was carried unanimously.

SENIOR CITIZENS REPORT

by Mary Ann Holmes

The regular meeting of Madoc and District Senior Citizen's Club No. 473 was held in the United Church basement on Wednesday, August 1st.

President, Mrs. Broadworth, spoke a word of welcome to all and the Lord's Prayer was repeated in unison. There was an attendance of 55 members and five guests (several of whom joined the Club later). The minutes of the previous meeting were read by the Secretary, Mrs. Johns, and were approved.

A satisfactory Treasurer's report was given by Mr. Johns.

Mrs. Broadworth read a suitable poem and correspondence was dealt with. A letter had been received from the Peterborough Club, accepting and thanking this unit for the invitation to a social evening at the Kiwanis Centre on September 5.

Two special speakers were present at this meeting—Mr. Kel Kincaid, on behalf of the Village Council, brought the Club up to date on the Senior Citizen's Housing situation. Mr. Ray Burris of the local Chamber of Commerce reminded the group of an invitation to a giant corn roast to be held at Mother's Restaurant on August 9th. Everyone was invited to bring their friends and enjoy the corn, hot dogs and drinks. The guest speaker on this occasion will be Hon. Robert Stanfield. Free transportation will be provided and members and their friends are asked to be at the church at 4:15 p.m.

The Club is planning a corn roast at the Price Picnic Area on August 29th. The members were pleased to learn that a fellow member, Mr. Bandy, is at home after having undergone surgery in the Belleville Hospital. He is reported to be improving nicely.

The Club is planning a corn roast at the Price Picnic Area on August 29th. The members were pleased to learn that a fellow member, Mr. Bandy, is at home after having undergone surgery in the Belleville Hospital. He is reported to be improving nicely.

"Happy Anniversary" was sung for a popular couple, Getha and Jim Burns, who were celebrating their 20th wedding anniversary.

The meeting was then turned over to Miss Alma Moorcroft, who showed pictures for the enjoyment of the members. These were all rural scenes depicting the seasons of the year, beginning with winter, through spring, summer and autumn. These, along with her accompanying comments, were enjoyed immensely. On behalf of the Club, Mrs. Johns thanked Miss Moorcroft for her entertaining pictures, and presented her with a small gift.

The lunch committee served lunch and a social half hour followed.

The next regular meeting will be held on August 15th at the usual time and place. The lunch committee for this will be: Miss Ada Adams, Mr. Ken Bateman, Mrs. Ken Bateman, Mrs. Goldie Ellis, Mrs. Hugh Empey and Mrs. Vi Johnson.

TRAP NEWS

Results from the Trap Range of the Madoc Hunters and Anglers Club on Sunday, August 5th were:

(out of 25 Birds)
John Mitchell 25, M. E. Quinn 24, H. Dennis 23, L. Blue 23, M. J. Quinn 23, John Blue 22, Ed. Thompson 22, and Joe Quinn 21.

Doubles: (out of 30 Birds)
L. Blue 26, H. Dennis 24, M. Quinn 23, Joe Quinn 22, John Mitchell 22.

The Inter Club Shoot will be held at the Hunters and Anglers grounds, next Sunday, August 12th. Help is needed at this Shoot, so come on out, members and give a hand. Everyone Welcome.

FIELD CROP COMPETITION

The Field Crop Competition in Cereal Grain, sponsored by the Madoc Agricultural Society and the Ontario Ministry of Agriculture, was judged by Ross Ketcheson of Epsom. The results were as follows:

Allan and David Franks 91 points, Allan Thompson 91, Roger Bros. 90, Ken Holland 89, George Robinson 88, Rastburn Robinson 87, Harold Harris 87, Fred Stein 86, Allen and Grant Ketcheson 84, James Miller 80, Chapman Bros. 80.

The other competitors received scores from 79 down to 66.

CIRCUS COMING TO TOWN

The Circus is coming to town! That's the news from the Kiwanis Club of Madoc, who are sponsoring it.

The event is scheduled to take place on Friday, August 31st. Although more details were not available at press time, a circus always promises lots of excitement for young and old, so plan now to attend.

Tickets are being sold in advance and may be obtained from any member of the Club. All advance sales will help the Kiwanis financially and the support of the community would be greatly appreciated.

Watch the Review as plans develop.

MADOC 4-H CALF CLUB

The Madoc 4-H Calf Club held its July meeting on the 17th at the Madoc Township Public School.

The Stirling 4-H Calf Club members joined the local members for a baseball game and a hay ride. The baseball game ended with the Stirling Juniors winning over Madoc and the Madoc Sra. defeating Stirling.

After the hay ride the Madoc Club supplied lunch.

The next meeting will be held at the home of Fred Stein on August 21st at 8:00 p.m.

LOCAL & PERSONAL

Mr. and Mrs. Charles Carman of Belleville and their two granddaughters, John and Grace Quinlan and girls of Oshawa, Keith and Jean Shaw and family of Brantford and Minnie Jones and Judy of Willowdale spent a very enjoyable weekend at the farm of Keith McCann of Eldorado and enjoyed a very delicious turkey dinner. Evening guests were Mr. and Mrs. Allan Turpin and mother of Stirling and Mr. and Mrs. Bill Turpin of California.

Father Congratulates son - Captain Phil Ash of Canadian Forces Base London congratulates son, Owen Ash, and presents him with an award of best rifle shot at Canadian Forces Camp Ipperwash, near Forest, Ontario.

Owen, 14, was until July 21, '73, a Junior Cadet at Camp Ipperwash. Phil Ash was a Canadian Armed Forces Regular Officer employed on training staff at the Camp, when the photo was taken.

Owen was on a training program that is designed to give 13 to 14 year old Royal Canadian Army Cadets basic military training and an opportunity to live away from home with other cadets.

Over 1,000 Ontario, Quebec and Jamaican cadets are presently training at the Camp in various military programs.

ONCE A YEAR WE'RE STUPID

by Bill Smiley

There's no place like home, as some wise man or woman once said, I think most likely it was a man.

For a woman, home means washing clothes and dishes eternally, scrubbing dirt, making beds, and all those other rotten jobs that make "home-making" a dirty word.

For a man, it means a good hot cup of tea instead of lukewarm coffee, a meal that tastes like food instead of wet klenex, clean sheets smelling of sun, and going around in his underwear and bare feet if he jolly well feels like it.

That's exactly what I'm enjoying today, after four days in The City. I've just had a decent cup of tea, a great, slurpy bacon and tomato sandwich, and I'm in my shorts and bare feet.

We've just had our annual spurge in The City, and even my wife gave a groan of pure pleasure as we pulled into our driveway last night and the cat came running to greet us, flinging herself on her back and rolling her belly ecstatically. That's the cat, not my wife.

I haven't the slightest idea why, but every summer, when sensible people are fleeing like lemmings from The City, the old girl and I take off from our sylvan retreat in the heart of tourist land and head for the concrete canyons of that same City.

There's no intelligence, let alone common sense, in it. We can't afford it. We don't even like it. But we go.

Don't ask me for a logical explanation. It would be like asking a caribou why he runs back and forth, with wolves snapping at his heels.

And the wolves are there. In The City. Just waiting for us caribou. Unfortunately, they don't look like wolves, so you don't know what's happening to you until you're hamstringed. They look like cab-drivers and waiters and bartenders.

But one can't blame the wolves, can one? That's what they are for: to weed out the cripples.

Well, I can tell you that if you are not crippled, at least financially, after a few days in The City, you've been staying with your relatives.

For some reason, we always stay in the best hotel. After all, it costs only about three days pay for each night in the swank joint. This is part of the whole midsummer madness.

And, what the heck, it's only three dollars each to see a movie. And what the shoot, room service charges only \$1.50 for a pot of coffee, & a meagre \$1.50 or a sandwich. And, of course, you can't take it with you, so spread it around a little.

And then there's the swimming. The big hotels have a swimming pool. Of course, only the common people swim in the pool. That's what we tell ourselves every time we remember we've forgotten our swim suits.

Early in the year 1911, what was thought to be a large deposit of talc, was discovered on lot 20, concession V, Madoc Township. The property at that time was owned by Mr. George Gordon. This land is currently owned by Melvin Blackburn. It is one and a quarter miles north west of Eldorado, at the Quinobog Falls, on the east side of Moira River.

Mr. Gordon sold the mine to Canada Talc and Silica Company for a considerable sum of money.

This company sank a 75' inclined shaft close to the mill, so that ore could be mined and delivered to the crusher, without extra handling.

The North Hastings Review reported that a couple of dozen men were employed. A boarding house, to accommodate about a dozen men, delco plant for lighting, other necessary buildings and a mill were erected. The mill, 60' x 40' equipped with a 125 horse power steam plant and grinding machinery, was of the latest variety. Large boilers were hauled in from Madoc by teams of horses.

A good road was built from the main gravel road to the mine.

Mr. W. A. Hungerford was manager, but due to his sudden and untimely death, before the mill was completed, Mr. Robert Phillips, an experienced miner, was appointed superintendent of works.

The May 18, 1911 edition of the North Hastings Review reported that a number of people from Madoc came by automobile to see the mine. (Automobiles at that time were few in numbers).

The grinding commenced on September 19th, 1911. The president of the company, Mr. C. J. Jones, said that they had ample capital and perfect willingness to make the company grow.

The company was re-organized in 1914 as Eldorite Ltd; and operated until 1916.

The Eldorado Mining and Milling Company took the mine over until November, 1920. The Miran brothers leased on a yearly basis.

Outside a few 10' deep-prospect pits were dug. All development work was performed in two shafts - 210' apart. No. 1 shaft inclined 75 degrees west and No. 2 inclined 75 degrees to the north west. These two shafts were connected at a depth of 65' by a succession of large openings, up to 60' in diameter, formed in mining the talc dolomite schist. At 200' the shafts were connected by a drift, which was extended 30' to the north west of shaft No. 1 and 160' to the north east of shaft No. 2. Eleven short cross cuts were driven off this drift. Talc content averaged 20%.

The width of the talc bearing schist was approximately 100'. The talc schist zone extended north west from shaft No. 1 with a dip of 40 degrees to 60 degrees north east. At the shaft, the zone appeared to fold around the north west in an anticlinal structure. The rocks were highly folded and crenulated. A short distance east of the main deposit, a 20' band of crumpled dark grey graphitic talc schist outcropped. So in 1919 a separate mill unit was installed to grind this material for rubber and foundry trades.

The company planned to have a spur line from the C. O. R. Station to the mine. This was never built. In the meantime, the white talc, packaged in 200 sacks, was hauled by teams on sleighs in winter and teams on wagons in summer, two ton to a load.

John Keene, hauled with a model A Ford, the first in the community. It was worn driven

Barton. The top speed at which it could travel would be a joke to-day, compared with our modern day trucks.

When the Miran brothers were in charge, they brought their own truck, white in color, from the states. It was driven by Robert Phillips and later by Thomas Lough. This truck had solid Indian rubber tires. For a horn, there was a cord from the dash board to beside the motor. When the string was pulled, a shrill whistle could be heard. The trucks also hauled dynamite from Ivanhoe for blasting at the mine.

William Goodchild worked in the mill. Some of the teamsters were Arthur Robinson, Harold Comerford, and Vandervort brothers. Bruce Robinson worked at the falls and the dam, which was built just below the falls. The purpose was to flood the land above the falls, currently owned by Ted Evans and Douglas Pack. Two water wheels were put in to run the machinery by water power, which would have been more economical than the first method. This operation was never completed.

In June, 1919 Thomas Lough and his wife took charge of the boarding house, until the end of the year. They sold their dishes and a cow which they had kept for milk. Mr. Gifford had charge until September 2nd, 1920, when management was taken over by Harry (Curley) Johnston.

In April, 1920 the mine was booming, cars were loaded every day, with four teams and two trucks hauling.

The company secured a block of land adjoining the mine, so that they could control all the talc deposits in the neighbourhood.

While George Gordon, on whose property the mine was located, was driving his cattle to pasture, the mine truck struck and killed one of his cattle.

One of the miners, working on a ledge in the mine, was struck on the head with a falling rock, which knocked him down the shaft and he was killed.

Robert and James Phillips moved away in September, 1920 and the new boss was Mr. James from Toronto.

Another boss, Mr. Brent left and went home to Buffalo. The mine then closed permanently on November 25, 1920.

During December, Mr. James and Mr. Johnston kept the water in the mine pumped out.

were employed there.

In spite of the general opinion that talc still exists there, the real reason for the sudden closing, was given as financial difficulties. The Mirans are said to have lost money. There was also disagreement between management and labour.

In February 1921, teams began hauling the huge pile of talc, which had been stock piled to heat the boilers, to Madoc. During March and April, one team and two trucks hauled the machinery was hauled to the Noyes Mine, south of Madoc. Other metal was sold to the Jews, who broke it up and drew it away.

The buildings gradually fell down.

Now only some old foundations remain to remind us of this short lived booming industry, which lasted about ten years.

Any corrections or further details would be appreciated by phoning 473-4306, Madoc.

Ratepayers of the Corporation of the Village of Madoc.

We have examined the 1972 financial statements of the Corporation of the Village of Madoc and its local boards, which are listed on the attached index. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Village of Madoc and its local boards as at December 31, 1972 and the results of their operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

	220,785.	224,445.

NOTES TO FINANCIAL STATEMENT

CHARGES FOR NET LONG TERM LIABILITIES

Total charges for the year for net long term liabilities were as follows:

Principal payments	\$ 12,957.
Interest	11,811.
	\$ 24,768.

Of the total charges shown above, \$24,768. was recovered from the municipal enterprises for which the related net long term liabilities were incurred.

PROVISION FOR RESERVES

Provisions for reserves amounting to \$8,924. are included in Statement of Revenue and Expenditure. Of this amount, \$8,924. is included in "Financial Expenses".

BASIS OF CONSOLIDATION

The consolidated Balance Sheet reflects the assets and liabilities of the revenue fund and the capital fund of the municipality. The assets and liabilities of any local boards of the municipality have not been consolidated.

NET LONG TERM LIABILITIES

Total long term liabilities incurred by the municipality and outstanding at the end of the year amount to \$ 157,458.

CAPITAL OUTLAY TO BE RECOVERED IN FUTURE YEARS

Some capital outlay does not represent a burden on general revenues, as it is to be recovered in future years from other sources:

Municipal enterprises	\$ 157,458.
-----------------------	-------------

LOOKING BACK

50 YEARS AGO
August 8, 1923

Madoc lost their first baseball game to Deloro this year on Saturday last by a score of 10-4. Madoc had defeated this team four times before this season and by large score each time, but by a little hard luck lost the game on Saturday. G. Barker, of Bancroft, began pitching for Madoc, but was relieved by Watson after the 3rd inning, who pitched a fine game allowing Deloro only three runs. The lineup for Madoc was: G. Barker, pitcher; Davey, catcher; Cross 1st base; Meggs, 2nd base; Cooke, 3rd base; Burnside, right field; Carwell, centre field; Moon left field.

The British Empire has 700,000 square miles of "effective forests," the remaining area being unprofitable or inaccessible. Canada has about 50 per cent of the total, India 14 per cent, Nigeria and the Gold Coast 14 per cent, Australia and New Zealand about 8 per cent. The United Kingdom, the great wood-consuming centre of the Empire, has less than one-third of one per cent, under forests. Seventy-five per cent of the forest area of the Empire still belongs to the State and only 25 per cent to corporate bodies and private individuals. Only 2½ per cent of the forest area of the United Kingdom is State owned. The Empire's imports of wood and timber just before the war exceeded exports by 150 million cubic feet per annum. The United Kingdom drew (1909-1913) 88 per cent, by volume, and 83 per cent, by value, of her imports from without the Empire.

Of all the various ways of waterproofing a tent, the one most successful in my camping experiences was the one used last year before we started on our trip to Ottawa. The tent we were to use had served our camping purposes for a number of seasons, and we decided something must be done to it if it were to see us through another trip. I purchased one pound each of sugar of lead and alum. After thoroughly mixing them, I dissolved them in about one gallon of tepid water. In this solution, the tent was soaked for about an hour and then hung up to dry. This process will make a tent thoroughly waterproof, mildew-proof, and even to a certain extent fireproof.

A despatch from Paris says: Scientific interest has been aroused over an incident in the Swiss canton of Vaud which tends to demonstrate that bees possess a sense unknown to humans. A farmer was taking a hundred pounds of honey to market, when his wagon overturned. In a few minutes a number of bees were noticed in the vicinity, and in a quarter of an hour the sky was darkened by them. It has since been learned that simultaneously every hive in the canton was emptied. A great number of people were stung, and three children who were riding on the wagon at the time of the accident were rescued with difficulty from the angry insects.

Married — On July 18th, Miss Harriet Alberta Ward, daughter of Mr. and Mrs. David Ward, of Madoc, was quietly married at her home to Mr. Frank Sharpe, also of Madoc. Rev. McCormack officiated.

24 YEARS AGO
August 4, 1949

Marilyn Hayton, 12-year-old daughter of Mr. and Mrs. G. Hayton, Bancroft, and granddaughter of Mr. Herbert Bailey, Madoc, nearly lost her life late Monday, while swimming in the York River. She was trying to swim across the river three times as did her girl friend in the morning at the swimming pool, where the Bancroft Lions Club held their aquatic sport. The girl failed on her attempt in the third crossing and sank. Bill Delyea's keen observance was responsible for averting a tragedy. He advised Frank Wright, swimming pool instructor, who dove and located Marilyn lying on some logs on the bottom of the river.

Mr. Howard Martin left at this office last week a sample of what we believe to be a record growth of corn, a stalk, which measured 11 feet high. The corn which is the Golden Glow type was grown on the farm of Mrs. Clarence Kilpatrick, on the Old Marmora Road.

This is the story of the fish that were struck by lightning and were electrocuted. Pete McGillen, reported it Friday in his Toronto Daily Telegram column "Outdoors," attributes it to Herb Rodregueand J. Swan, of Harcourt, Ont., in the Haliburton district. The two men were camped on the shore of an unidentified lake in the district when lightning split a

tree on the opposite shore and set it afire. They paddled across and found a dozen large speckled trout floating on the lake surface. They picked up eight, all more than 15 inches in length, while the others revived and swam away. Two days later, they returned and counted more than 50 large trout dead on the lake surface. They apparently were killed by the lightning stroke.

While crossing Forsyth Street at the intersection of No. 7 and No. 14 highways, at Marmora, about 11 p.m. Saturday, Mrs. Thomas Young, of Marmora Township, was knocked down by a car driven by Les Bedore, Marmora Township. She was rendered unconscious for a time, and after being attended by Mr. W. J. Donevan, was removed by ambulance to Belleville General Hospital suffering from back injuries.

Nine cases of infantile paralysis, two of them fatal have been transferred to Toronto or Kingston. The nine polio patients thus far reported could in no way be considered to be of epidemic proportion, says Dr. R. S. Gibson, deputy medical officer of health for Belleville.

Dr. Grant Fraser, Madoc, Potentate Rameses Shrine Temple, Toronto, gave a dinner to his divan, past Potentates and heads of all units, and their ladies, in the Pump Room at the Ambassador Hotel East, in Chicago.

Births — In Belleville General Hospital, on Sunday, July 31, 1949, to Mr. and Mrs. John Thompson, a son.

At Mrs. Keller's Nursing Home, Madoc, on Monday, August 1, 1949, to Mr. and Mrs. Richard Wood, St. Oia, twin boys.

At Mrs. Keller's Nursing Home, Madoc, on Tuesday, August 2, 1949, to Mr. and Mrs. Allan Carroll, St. Oia, a son.

Mr. and Mrs. C. H. Fellowes, of St. Thomas, announce the engagement of their only daughter, Eleanor Dorothy Fellowes, Reg. Nurse, of Belleville, to Thomas Law Hawthorne, eldest son of Mr. and Mrs. William Hawthorne, of Madoc. The marriage to be September 3rd, in Knox Presbyterian Church, St. Thomas.

15 YEARS AGO
August 14, 1958

The slate of potential candidates for Friday's Progressive Conservative nominating convention here has been increased to five who have definitely announced that they will contest the nomination. Jack Kincaid, well known Madoc Businessman, who has had twelve years municipal experience, a former Warden of Hastings County and at present Clerk of Madoc Village. Mr. Kincaid is married and has one son. He is a veteran of World War II. Mr. Versifal (Verse) A. McMurray, well known Gilmour storekeeper. A native of Gilmour, Mr. McMurray, is the son of W. A. McMurray served in World War II. He enlisted as a private with the Hasty Pees and rose to the rank of major, serving as camp commandant at Camp Borden. Tyendinaga Reeve Charles Long has also announced that he definitely is in the field. Mr. Long is a native of eight years. He is married with two children. Warden Lloyd Price previously announced that he was definitely in the field for the nomination, while Harold Daily, Deputy Reeve of Hungerford, also previously announced that he was in the running. Several other names have been mentioned and indications point to a lively nomination meeting. The guest speaker will be Hon. M. C. Dymond, Ontario Minister of Transportation.

Plans are underway for the

MILLER'S BP SERVICE STATION AND RESTAURANT
HIGHWAY NO. 62
MADOC, ONT.
PHONE 473-4230

Planting of 146,000 trees this fall. If available, 30,000 Carolina Poplar and 10,000 Scotch Pine will be planted at Outlet Beach Park, 47,000 White Pine and 47,000 White Spruce will be planted in the Dacre Division and 10,000 Red Pine and 2,000 White Pine will be used to fill areas of natural regeneration in Wicklow and Montegale townships.

Ten small fires were reported and extinguished during last week, three in the Bancroft Division, three in the Dacre Division and four in the Tweed Chief Ranger Division. Six of these fires were apparently caused by carelessness of campers with burning smoking material, one by the dumping of hot ashes, two by sparks from Railway locomotives and one resulted from lightning. The fire hazard is high to extreme and the public is urged to follow the regulations laid down by the Department of Lands and Forests. Do not smoke while walking in the bush. Use thermos bottles instead of lunch fires. Many fires have been caused by cigarettes thrown from car windows. Please use the car ash tray and help in the effort to keep the forests green. Always be careful with fire. Department aircraft O.D.G. maintains daily fire patrols over the district, which quite frequently means detecting of small smokes that are still at a stage where a tower cannot see them, and is of great assistance in definitely locating fires picked up on a single shot from towers during the early stage of a fire which is extremely important.

Birth — At Belleville General Hospital, on Monday, August 4, 1958, to Mr. and Mrs. Karl Keller, a son.

Mastercraft puts the 'Pow' in Power!

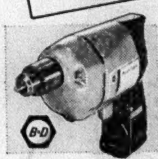

1/4" DRILL

Power a-plenty for household jobs. Easy-to-handle; 2.5 amp motor; double-reduction gears; speed 2000 rpm. Drills 1/4" in steel, 1/2" in hard-wood. Geared chuck and key. Aluminum housing.

Mr. Eric Sandford and Miss Joyce Sandford travelled to Timmons to visit Mr. and Mrs. Eugene Sandford and family and also to bring home their mother, Mrs. Stanley Sandford, who has been holidaying with

Mr. and Mrs. Sandford. Mr. Cecil Boyle is a patient in the Belleville General Hospital.

Mr. and Mrs. "Bud" Johnson and baby Stacey Lorraine of Peterborough spent the weekend with Mr. and Mrs. Melvin Johnson.

A successful Obstacle Fun Day sponsored by the Hill and Valley Riders was held at the home of Mr. and Mrs. Raeburn Robinson on Sunday, July 29th.

Miss Joyce McCarey of Belleville is spending this week at Martins Mill with Mr. and Mrs. Earl Blakely.

VANNACHER and DISTRICT

Deepest sympathy is extended to the family of the late Mrs. Hazel Anderson, R. R. 6, Napanee, who passed away at Kingston General Hospital on Monday, July 30.

We are glad to report Mrs. Don Clark has returned home after undergoing surgery at Kingston General Hospital.

Mr. and Mrs. George Jackson are spending a few days with friends and relatives in the United States.

Mrs. Earl Gregg, Mr. & Mrs. Ethel Grant paid their respect to Mrs. Hazel Anderson at the Wartman funeral home on Tues-

day evening. Mr. and Mrs. Bill Gallagher, North Augusta, are spending a few days with friends and relatives here.

We are glad to have Rev. and Mrs. Smith with us for another year.

Mr. and Mrs. Herb Rose spent Saturday evening with Mr. and Mrs. Arthur Gregg and family.

Mr. and Mrs. Herb Rose spent a few days with the latter's mother and daughter, Deseronto and attended the wake and funeral of her sister Mrs. Hazel Anderson, Napanee.

TARGET TALK

The Madoc District Hunter's and Anglers Club held the tenth shoot of the year on Sunday, August 5th. Because of the long holiday weekend there were only 11 contestants on hand, a somewhat smaller crowd than usual. Eight rounds were fired at the four different classes now in effect since the beginning of the year. The prize winners for the day were: Round 1, R. Grass and Round 2, L. Hicks. The group shoot was won by L. Hicks who fired a 9/16 group. Because of the ruling of only one prize per customer the prize went to M. Quinn Jr. who fired a 5/8 group. Rounds 4, 5 and 6 were won by Dale Donaldson, Joe Foley and Floren Donaldson. Rounds 7 and 8 were won by Joe Quinn and Gerry Donaldson.

The points recorded for the day were as follows:
Name Class 1 2 3 Group
M. E. Quinn 25 15 14 18
R. Grass 24 17 18 0
F. Donaldson 30 20 18 14
Joe Quinn 28 20 15 22
M. Quinn Jr. 27 20 15 23

O.P.P. REPORT

Six highway traffic act charges and six injuries resulted from a total of fourteen motor vehicle collisions. Damages were estimated at \$5,675.00.

Seventy-eight occurrences were noted this week commencing July 27th and ending August 3rd, 1973.

Two break and enters (one in Hungerford Township and one in Huntingdon Township) resulted in theft of property valued at approximately \$215.00. Three other thefts added an additional \$410.00 worth of stolen property to the outstanding property list.

A fatal shooting of a Rawdon Township man and a drowning incident in Elzevir Township are still under investigation by officers of Madoc Detachment.

At 11:05 P.M. on the 28th of July a routine check was made on a vehicle. Liquor and a small amount of drugs were found to be contained in the vehicle. One charge of "Having Liquor in a place other than Residence" and three charges under the Narcotics Control Act have been laid in connection.

Another routine check on a vehicle found it to be unsafe for operation and therefore the plates were seized and will not be returned to the owner until the vehicle is made safe.

Six domestic complaints, 2 civil disputes, 3 malicious damage complaints and 2 disturbances were also investigated.

LIQUOR CHARGES:

Having Liquor in a place other than Residence, 3; Intoxicated in a Public Place, 2; Minor Consuming Liquor, 1.

MARINE CHARGES:

No Licence on a Vessel, 1; Insufficient Number of Life-jackets, 1.

Drivers who slow down to stare at accidents often create more of a traffic bottleneck than the accident itself. If you come across an accident and it is not directly tying you up, then keep moving. Don't hold up the traffic flow.

There is really no such thing as a minor collision, only a minor result. For example backing over a tricycle is described as a minor collision: Backing over a tricycle with a child on it is a major collision.

SOME OF THE OFFENCES IN REFERENCES TO POWER BOATS:

- Operating a boat when ability is impaired by alcohol or drugs.
- Water skiing from one hour after sunset to sunrise.
- Failure to have a second person in the boat while towing a skier.
- Failure to stop at the scene of an accident in which your boat has been involved to give assistance and identification.

TEN V.M.C.A. "WATER SAFETY" RULES

1. Never go swimming alone.
2. Swim only where there are lifeguards.
3. Never dive into strange waters.
4. Don't show off in the water.
5. Don't attempt a rescue unless you are a strong swimmer.
6. Cool off before plunging into cold water.
7. If you can't swim, stay out of small boats.
8. Pay strict attention to all warning signs.
9. Always race towards the shore not away from it.
10. Know your limitations.

R. N. Dowe, Sergeant.

FRIENDLY HINTS

TIPS ON PLASTIC WATER PIPES

Old water systems installed years ago with galvanized pipe gradually rust out, as everyone knows.

The easy way to replace it is with the plastic pipe now available, both as the Armour brand, or as CSA-stamped from your Co-op Plastic pipe is easily installed and is durable when the right pipe is purchased for the job you want done.

Plastic pipe comes in a range of grades, so be careful to get the right grade. Series 50 pipe, which can withstand 50 pounds of pressure per square inch, is fine for light jobs, but may collapse if installed 8 feet under ground, or on a suction pump.

Utility grade is the least expensive and may contain impurities or thin spots in the pipe wall, which weakens it. It should never be installed under ground. It is good for garden sprinkler systems or ordinary water lines.

CSA series, and the Armour series are rated at different psi. This pipe is made under controlled conditions to eliminate flaws in the pipe wall. For example a 75 psi is quite satisfactory for farm water systems as a rule, and can be safely buried to considerable depths to escape frost, without the weight of the earth collapsing the walls of the pipe.

Pipe of 100 psi strength or higher, is used for special work situations - for drop pipes for submersible pumps for example, or where water has to be pumped up hill under pressures greater than 75 psi.

Choose the right plastic pipe for your particular system when you install new lines. Consult with us at your Co-op.

Madoc Co-operative
Association

ATTENTION

INDUSTRIAL MILK PRODUCERS IN ONTARIO

Farmers who are producing industrial milk can qualify for guaranteed loans with a refund feature of up to 20% of principal. This refund will be paid in cash during the last 4 years of a 5-year agreement, if all commitments are met.

Get in touch with your area OMMB Fieldman or your local Ontario Ministry of Agriculture and Food office to discuss how you may take advantage of this program.

Main Features of the Program

- 5-year term guaranteed bank loans.
- No repayment of principal in the first year.
- 20% refund of principal available if all commitments met.
- Amount of loans determined through consultation and based on repayment capacity and milk production program of borrowers.
- Can-shippers of industrial milk must convert to bulk tank to obtain loans.

Loans will be made available from local branches of chartered banks effective immediately and until the expiration of the program June 30, 1974. These loans will be at prime interest rates plus 1% in terms not exceeding 5 years.

This program is complemented by the recent increase in Federal subsidy for industrial milk.

Application forms and brochures describing the program are available from County and District Offices of the Ministry of Agriculture and Food.

BELLEVILLE

SOMETHING FOR EVERYONE! BRING A FRIEND

THIS WEEK from Ottawa

Louis S. St. Laurent

Prime Minister Trudeau paid tribute to former Prime Minister Louis S. St. Laurent, who died this week in Quebec at the age of 91 — "He entered public life primarily to foster Canadian harmony. His contribution to the better understanding of Canada by Canadians was immense and everywhere in this country he became the symbol of tolerance and unity."

Commonwealth Conference

Commonwealth Heads of Government will meet in Ottawa, August 2-10 — the first time this meeting will be held in Canada and only the third time it has taken place outside Great Britain, since the meetings originated in 1944.

The meeting will be the largest international gathering ever held in Canada in terms of numbers of delegations. Prime

Minister Trudeau will act as Chairman to the Conference and Queen Elizabeth will meet with Heads of Government during her second visit to Canada.

Defence Tour

National Defence Minister James Richardson will under take a 24-day — Aug. 5-29 — tour of defence establishments and will meet with defence ministers in five Commonwealth countries — Australia, New Zealand, Malaysia, India and Tanzania.

This will be the first time a Canadian defence minister has visited any of these countries.

Nuclear Tests

The House of Commons unanimously supported a resolution deploring France's nuclear bomb explosions in the Pacific Ocean and urged "in the name of humanity" cancellation of any further tests.

EEC Tour

Prime Minister Trudeau said in the House of Commons that he is "earnestly considering" a tour of the member countries of the European Economic Community to promote trade with the Common Market.

More Canadians

Consumer and Corporate Affairs Minister Herb Gray introduced in the House of Commons the federal government's proposed new Canada Business Corporations Act which would require all federally chartered companies to have a majority of resident Canadians as directors.

The legislation is intended to give Canadians greater participation in the economic life of this country.

OBITUARY

Mrs. Kathleen (Lahey) Kelly, who she married at St. Michael's Church in Belleville, passed away at the Belleville General Hospital on Friday, July 20th, 1973, after a lengthy illness.

A daughter of the late Mr. and Mrs. William Lahey, deceased was born in Madoc 83 years ago. She is survived by

her husband, George Kelly, to whom she married at St. Michael's Church in Belleville.

Mrs. Kelly was a member of St. Edmund's Roman Catholic Church, Stoco, and also a member of the Catholic Women's League of that parish.

She was predeceased by three brothers and two sisters. They

are: Thomas Lahey, John Lahey, William Lahey, Mrs. Hugh (Mary) O'Connell, and Mrs. Fred (Blanche) Meraw.

The funeral was held on Monday, July 23rd, at 10:00 a.m. from the Cassidy Funeral Home, Tweed, to St. Edmund's Church, Stoco, for interment in St. Edmund's Cemetery. The Funeral

Mass was conducted by Rev. Fr. J. C. Geenenweya, assisted by Rev. Fr. Harold O'Neill (a nephew). Also in attendance on the altar were Rev. Dean C. E. Baker of Tweed and Rev. Fr. P. Murphy of Madoc.

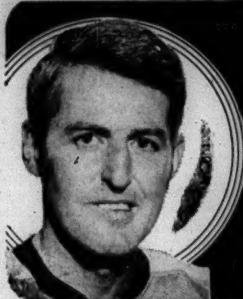

Bearers were Ray O'Neill, Jos. Cassidy, Wm. Lahey, Gerald Whalen, Mike Cassidy and Tom Kelly.

Making Jam and Jelly
Many of the fruits used for making jam and jelly mature at about the same time of year and this makes it difficult for homemakers to preserve as much as they would like while the fruits are "in season." Many of these fruits can be frozen in the summer and made into jam, jelly, or conserve later on. Best suited for this are: blueberries, red and black currants, gooseberries and rhubarb. There are certain steps to be taken, however, to prevent "coloring" upon thawing and to make your work easier. These are all explained in a free booklet on making jams, jellies and pickles by Canada Department of Agriculture. Simply ask for publication 999. I'll be glad to mail you a copy on request.
Mrs. Brown is available to talk "shopping" to groups. Call 515-4533 or write — 125 The Queensway, Toronto, M5Y 1H7.

DELEGATES CHOSEN FOR LIBERAL CONVENTION

Provincial government red tape is stalling development of at least 2,000 homes throughout the Quinte area, Donald Deacon, MPP York Centre, contender for the Ontario Liberal leadership claimed at a reception in the Tweed-Hungerford Senior School last Thursday evening, in addressing Liberal Party members and workers from this district.

The volume of home construction involved would produce a "tremendous difference" in local housing shortages and lower the cost of building lots, said Mr. Deacon.

Development of the lots poses no planning or environmental problems.

"We could have these okayed

tomorrow if Queen's Park would stop interfering with its darned red tape," he told Liberals from both federal and provincial Hastings riding associations.

Mr. Deacon's remarks came to the fore of local Liberals to a key in his political philosophy — opposition to big, centralized government.

The event also gave grassroots party members their first impressions of a man whose future political career they will soon influence.

The meeting was called to choose voting delegates to two Liberal conventions.

The events are the federal (Continued on Page 5)

LANDS LARGE PICKEREL

Mr. Ralph Arsenault of Warren, Pa., who was staying at Bob Lewis' cottage on Moira Lake, proudly displays the large pickerel he caught while fishing in the lower lake last week. Mr. Arsenault said he was fishing with a jig and worm when the 8 pound, 9 ounce beauty struck. It took 10 minutes to land the fish.

Miss Madoc Fair At C.N.E.

Madoc's Fair Queen, Miss Noreen Pigden, daughter of Mr. and Mrs. Allan Pigden of R.R. 2, Madoc, is at the Canadian National Exhibition in Toronto this week competing for the Miss C.N.E. "Sweetheart of the Fair" contest.

The crowning will take place today, Wednesday, August 15th, at the main bandshell and will feature over 100 fall and spring fair queens from across Ontario.

The winner will receive a free flight to the Calgary Stampede courtesy of Air Canada, \$1,000 cash from the Sweetheart Soap Division of the Purex Corporation, and many other prizes.

This is the first year Madoc has had an entry in the competition and "best of luck" wishes go along with Noreen from this community.

STANFIELD AND CORN DRAW LARGE CROWD

Despite extremely high temperatures and boiling humidity last Thursday, a crowd of what officials have estimated at 3,500 people turned out to welcome Progressive Conservative leader Robert Stanfield to an old-fashioned corn roast and hand-shaking evening east of here.

People and corn alike were dripping, the latter — 4,000 cobs were told — with butter.

"It was a great turnout," Hastings MP Jack Ellis commented shortly after stepping out of a shower at his Belleville residence after the depart-

ure of the Tory leader for Ottawa.

Mr. Stanfield drew attention during a mainstreeting tour of the Quinte exhibition in Belleville during the afternoon, but the real topper awaited him several hours later when cars began wending their way north of Highway 7 along the gravel-covered Black Creek road. The destination was Mother's Restaurant, a recently rebuilt bit of old-world Germany set in the back woods of Hastings County.

At about 6:30 p.m., Mr. Stanfield arrived by car — only to

finish the last leg of his journey in a horse-drawn carriage accompanied by Mr. Ellis, PC association president Kel Kincaid, Madoc Township Reeve Cecil Woods and Karl Sexsmith, at 78, the oldest poll chairman in Hastings.

The official party, joined by Frontenac, Lennox and Addington MP Douglas Alkenbrack of Napanee, was swamped by well-wishers, back-slappers, camera buffs and cooks. Several arrived in cars bearing U.S. licence plates.

(Continued on Page 5)

Approximately 3,500 people, from toddlers to senior citizens, attended last week's corn roast at Mother's German Restaurant and enjoyed the opportunity to meet, on a personal basis, Mr. Robert Stanfield, leader of the Opposition. The event was organized by Jack Ellis, M.P., Hastings. This picture shows a part of the crowd.

Mr. and Mrs. Henry Roushohn Celebrate 50th Wedding Anniversary

Family and friends of Henry and Lena Roushohn gathered on Sunday, August 12th, and during the following week, to join with them in celebrating their 50th wedding anniversary. A beautiful anniversary cake, appropriately decorated by a friend of the family, Mrs. Lillian Nolan, was the centerpiece of the table setting.

Mrs. Roushohn has been ill for some time and just recently returned from Belleville General Hospital to the home of her eldest daughter, Mrs. Bessie Summers.

William Henry Roushohn and Lena Myrtle Diamond were united in marriage at the home of the bride's parents, Mr. and Mrs. William Henry of Queensboro on August 8th, 1923. Attendees at the wedding were the late Stella Brown, cousin of the bride, and the late Jas. Roushohn, brother of the bridegroom.

The Roushohns have six children: Mrs. Leonard (Bessie) Summers, Queensboro; Mr. William Roushohn Queensboro; Mrs. Freeman (Helen) Holgate, Belleville; Mrs. Peter (Dorothy) Kooistra, Stirling; Mr. John Roushohn, Trenton; and Mrs. Elwood (Linda) Graham, Cooper, El.

Mr. and Mrs. Roushohn were both born in Queensboro, and attended schools in that area. They spent the majority of their married days farming in Elzevir Township. They did live in Belleville for one year and with their daughter, Mrs. Peter Kooistra, Stirling, for six years, after which they returned to live at Queensboro.

They have 17 grandchildren

WINS DRAW

Madoc Ladies Softball team held their draw for 40-oz. of pickles, which was won by Roy Riddell of R.R. No. 1, Apsley.

Second prize, a bushel of goodies, was won by Ken Wood, Kaladar. Gloria Trevorton of Madoc drew the lucky tickets. The team would like to thank all those who purchased tickets.

LARGE CROWD ATTENDS INTER-CLUB SHOOT

A good crowd of spectators attended the Annual Inter-Club trap shooting competition on Sunday, August 12th, 1973 at the Madoc Hunters & Anglers Club grounds. Five clubs participated in the event coming from Cobourg, Peterborough, Belleville, Picton and Madoc with a large number of shooters from all teams. High scores for the day were: D. Ward, 75, Picton; Lloyd Blue, 73, Madoc; Jim Hughes, 72, Picton.

John Reymes, 71, Cobourg. These were out of 80 birds. The trophy for high gun was won by D. Ward of Picton. The food booth was well attended.

The final shoot will be held September 16th at Peterborough shoot and trap club. The beautiful day was enjoyed by all.

The Club would like to thank all its members who helped in making the day a real success and extend a special thanks to Ken Gordon.

MADOC MAN DIES AFTER BEING STRUCK BY CAR

A 58-year-old Madoc man died yesterday as a result of injuries he received in a car-pedestrian accident on Highway No. 7 near Kaladar.

Dead is Sheldon Marr, an employee of the Ministry of Transportation and Communications.

O.P.P. at Kaladar report that Mr. Marr was working on the shoulder of the highway, Tuesday, August 14th, when he stepped back into the traffic and was subsequently struck by the car.

Mr. Marr was taken to the Belleville General Hospital by

City Ambulance, but died three hours later on the emergency operating table, where he was being treated by Dr. W. F. Bates.

The accident occurred 1 1/2 miles west of Kaladar, just west of Beatty's turn, at approximately 3:00 p.m.

Driver of the 1966 Pontiac which struck the pedestrian was 55-year-old Sidney Robshaw of Tickfield Avenue S.E. Sea, England.

There will be no post mortem and no inquest into the incident.

Const. Jim Wilson of the Kaladar Detachment, Ontario Provincial Police investigated.

Karen Doxtator, 17, Named Hastings Dairy Princess

Hastings County's 1974 Dairy Princess is a 17-year-old secretary at Bayside Secondary School, Belleville, the school from which she graduated just last June.

Karen Doxtator, of the Trenton area, burst into tears of relief as judges named her best of four who competed for the title Friday night at Quinte Exhibition. Miss Doxtator, an active 4-H Club member, counts among her activities, a position as a junior director of the fair board.

She will go on to compete for the Ontario Dairy Princess title at the Canadian National Exhibition.

Competing in a Dairy Princess competition is a nerve-wracking experience. Its format differs from a conventional beauty contest for the emphasis is on skill and talent. Each contestant must give a speech on the dairy industry and milk a cow. She starts with a disassembled milking machine of her choice, must put it together, milk a strange cow, take the machine apart and wash it and arrange the parts on the table exactly as she found them.

The Hastings County princess was crowned by Judith Lowery

NICE CATCH, FOR A WOMAN!

Mrs. Lois Parauk of Madoc landed a big Muskie while fishing in Moira Lake last Sunday evening, August 5th. The fish weighed 22 pounds and measured 43 inches in length. Mrs. Parauk was fishing with her husband George at the time, and required some assistance in hauling the big fellow into the boat.

Weslemkoon Contract Awarded

Mr. Clarke T. Rollins, M.P.P., Hastings, this week advised that he has received the following information from The Honourable Gordon Cartwright, Q.C., Minister of Transportation and Communications:

Development Road 801-4, the Weslemkoon Lake Road. Contract has been awarded to The H. J. McFarland Construction Company Limited, Picton, Ontario in the amount of \$121,881.00 for 5.8 crushed gravel pine and double surface treatment. The construction is expected to be completed on August 31st, 1973 weather permitting.

BIRTHS

HAGERMAN — Wayne and Shirley are pleased to announce the birth of their daughter, Andrea Dawn at the Belleville General Hospital on Saturday, August 11th, 1973. Weight 9 lbs., 4 oz. A sister for Carolyn and Paul.

SARGINSON — Mr. and Mrs. Brian Sarginson are pleased to announce the birth of their son, Johnathon Blair, on Sunday, July 22nd, 1973 at Bancroft Red Cross Hospital. Weight 8 lbs. 10 oz. First grandchild for Mr. and Mrs. Douglas Pogue of Madoc.

MERAW — Mr. and Mrs. Eugene Meraw are pleased to announce the birth of a baby boy James Edward Eugene, on Monday, July 16th, at the Royal Victoria Hospital, Barrie. Weight 8 lbs., 1 oz.

BANTAMS TAKE FIRST GAME

The Madoc Legion Bantam Softball Team took the first game in a best-of-three series of the Eastern Ontario finals here on Saturday night.

Steven Johnston pitched all nine innings, leading the local boys to their 12-5 decision over Warsaw.

Following is the line-up of Saturday's game: S. Johnston, pitcher; D. Forestell, catcher; J. Dowe, 1st; E. Mah, 2nd; S. Carawell, 3rd; R. Nickle, short

stop; R. Elliott, left field; D. Ross, centre field; R. Bristol, right field. R. Bristol made the team's only home run.

The boys travel to Douro for the second game against Warsaw tonight (Wednesday, August 15th) and the third game, if necessary, will be back here in Madoc on Saturday, the 18th.

The winner of this series will enter the O.R.S.A. semifinals.

ATOMS WIN SERIES

The local Atoms trounced Cayuga 20-4 Sunday, in the best of 3 series of the O.R.S.A. division B playdowns, winning the series.

Randy Gray's fastball proved too much for the visitors as he fanned 15 batters, walked 5 and allowed only 2 hits.

Michael Franks and Timmy Toms led the hitting attack with 2 doubles and a single

each. Dean Harris scored a double and 2 singles. Billy Bateman connected for a triple and a double. Randy Gray also smashed a triple and a single.

J. Plug and J. Gowland each hit a double for the losers.

Unparalleled Singing By Choir At Funeral

The following description of the funeral service of Dr. George N. Maybee in St. George's Cathedral is copied from the Kingston Whig Standard. Burial took place at Lakeview Cemetery in Madoc.

Members of St. George's Cathedral choir gave a heartfelt and shining farewell to their organist and choirmaster, Dr. George N. Maybee today, who died at his home on Tuesday morning.

Some eyes were wet, but no voices quavered as the choir sang Dr. Maybee's favorite hymns and the choral eucharist arranged by Charles Wood.

Organist and director for the service was Peter Partridge, assistant for Dr. Maybee from 1956 to 1961, who travelled from St. Catharines for the service.

The Cathedral was packed with Kingston residents, some of whom had known Dr. Maybee as parishioners of the Cathedral.

some who, as music lovers, had appreciated the talent which had made him renowned far beyond Kingston and some who had sung for him as choirboys in days gone by.

The service, aside from singing of Croft's Burial Sentences, was a choral eucharist conducted by the Very Rev. Richard Fleming Dean of Ontario, assisted by Canon John Coombes of the Cathedral. The gospel was read by the former dean of the Cathedral, the Very Rev. Brian Browne, and the final blessing was given by the Bishop of Ontario, the Right Rev. Jack Creggan.

"Lord Let Me Know My End" was the anthem by Maurice Greene sung following the communion. "Jesus Lives", "Guide Me O Thou Great Jehovah", and "Lights Abide, Celestial King", three favorites of the late choirmaster, were sung with what some said was an unparalleled performance.

"IT'S FRIENDSHIP, FRIENDSHIP, JUST THE PERFECT ..."

By Bill Smiley

There's nothing like seeing old friends. Or old friends, as it comes out sometimes when the linotype operator is not on his toes ha-ha.

I have a couple of old friends who managed to drop in while I was getting ready to go to England. Between them, they almost aborted the trip.

It's not that they bother me. It's just that they cripple me for about two days each, by the time we finish reminiscing and get to bed as the robins begin to chirp.

That's not so bad. A chap must expect that sort of ruin. But they brought with them a couple of other old friends — their wives. That's what really put the tart on the griddle as Lord Faversham said while he was roasting a well-known street-walker.

We have all sorts of friends, eh? There are the close chums of public school, with whom there is nothing in common by the time you are in Grade 11 except the fact that Old Lady Williams beat the hell out of you every second day, when you were in Grade 5.

Then there are the bosom buddies of high school. This is an eternal, yearning friendship, often depending on the type of bosom. Ten years later you meet and there's not much to say after exchanging the number of children and wives or husbands you have had.

College friends are even closer. I was looking at a picture of four of us the other day. We had in-jokes. We were inseparable. We would give our left arm for each other.

I haven't seen one of them for twenty years. One is a drunk, a second is dead, and the third is an accountant. Not necessarily in that order.

Then there are friends you make on summer jobs. These are so intimate you can hardly wait to separate so that you can write each other. Once.

And if you were in the service, there are all sorts of friends. There's Dutch Kleimeyer, the ubiquitous Australian, Jack Ryan, the unmitigated Canadian, Singh Thandi, the sinful Indian, and so on. A few of them still around, and you see them every five years, but that means only a couple of days of ruin.

And, of course, you have made friends since you married. There are Shirley and Bill, and Joan and Dick, and Jack and Jill, and Humphrey and Ursula. Not to mention Humpty and Dumpty. Those named are carefully disguised, and the last two can figure out for themselves who they are.

Nor should we forget professional friends, the people we work with. In my case, they range from someone like Miss S., who weighs 84 pounds after a steak dinner and has a laugh that would knock your fillings out, to Mrs. O., who is "the

sexiest broad in the school", according to the kids. As a gentleman, I can only agree with them.

Yes, a chap gathers a lot of friends over a few decades. But the two I mentioned earlier on are a little special. Bub and Trap. We joined the air force together, drank beer together, sang bawdy songs together, and pursued the fair sex together.

We learned to fly together. On one leave, we hitchhiked to New York together and I can still remember Bub, after a bit of temperance or something, spewing all over Broadway from the window of a taxi. Broadway has gone steadily downhill since.

We went our several ways during the big conflagration, and all managed to stay alive during various hairy incidents.

When we got home from the wars, we got in touch. We were all going to college and funds were pretty slim, but we'd get together occasionally for some of the old riotous living of the rude soldiery.

We all fell in love about the same time and got married about the same time. We each have two children and have shared the woes and glows of raising kids. The three girls we chose, Peg, Ruth and Suse, are still married to us, something of a record these days.

We've all been modestly successful in a material way and modestly unsuccessful in a spiritual way.

Our wives tell us, individually, that we are rotten husbands and fathers, but we don't see them reaching into the grab-bag for substitutes.

When we meet, a couple of times a year, we compare middle-aged aches and pains, but we're young at heart, as you would clearly see if you dropped by about 4 a.m.

We'll probably wind up in the same Home for Senile Veterans. If we do, we'll keep it lively.

Yes, a man acquires a lot of friends in a lifetime. But not many of us have two old friends like Bub and Trap to drop around and turn us into living skeletons when we're trying to get ready to go to England.

MISCONCEPTIONS, MISINFORMATION, AND ALL THAT !!!

(W. D. Tipper, Agricultural Representative)

Every time a new program is announced — or a change is announced in an old program — or anything at all happens, it is amazing the stories one hears when changes do occur. My personal reaction to any change is that I want to find out what the change means and how the program can best be used for farm operators in Hastings County. People being what they are, we will always find individuals in any form of business that detract from it by not bothering to know the facts and even going so far as to downgrade it. It is pretty hard to understand for example, in the case of a dairy farmer who by all accounts is not doing so badly, yet continues to pick on the "negative" side of the picture. Fortunately, there are a lot of "positive types" around who are willing to stand up for their business. The point here is that in any business if the operators say and continually stress that they have "the best business in the world" then they will do their business industry more good, and more important, at home will do their own business more good because they will always be trying to make it the most satisfactory way of life possible. When this happens we would have positive situations for our young people to look at and to give proper consideration in choosing what they want to do in their lifetime. After all, one business or profession is compared with another and farming is no different. If we want a sound farm industry then the operators have to make sure that it has a positive approach, that it will be shown in the proper light for comparisons sake.

There are five specific items that I would like to refer to you and I will do it in point form.

1. Capital Grants — changes — it was announced a few weeks ago that there would be changes. This was explained in Newsletter if people took the time to read them. The only change was in the administrative procedures — the only effect on the farmer is that he might have to wait a bit longer in getting his grant back. What the announcement said was that there was so much money allocated for the program and it would have to be spread over the remaining six years of the program but nothing was said about cutting the amount or changing the regulations. The difference is that, in the latter part of the year, the funds for the year might run out and the farmer might have to wait if he was applying at that time, for two or three months until the next fiscal year came in when his Grant would then be paid. For this reason we intend to go on processing the application so that if there is a delay in payment, our applications from Hastings County will be as close as possible to the top of the list in the beginning of the next fiscal year.

2. Farm Improvement Loans — This hasn't fundamentally changed in a long time. It is a federally backed loan. The current interest rate is 7%. The term of the loan is up to ten years. The maximum amount is \$15,000. It is used for exactly what it says. Farm Improvement. Anything above the 7 per cent would be related to the individual case where for example, the farmer wished to protect it by covering it with life insurance available through the bank. This of course is term insurance. The system of repayment is worked out by the farmer with his bank, every situation can be different. Two points. Consult your banker, not somebody on the street corner. There is no rebate of any kind on this loan. The advantage is a low interest rate.

3. Ontario Industrial Milk Loan program, 1972 — this came out a year ago and was specific to Ontario Milk Producers for the purpose of purchasing Market Sharing Quotas with or without Subsidy Eligibility Quotas attached, and dairy cows or bred dairy heifers necessary to produce milk to fill such quotas, held or to be acquired by the producer. This is a guaranteed loan by the Province of Ontario. Applications are made at the Bank at which the farmer deals. Copies of the Program leaflet are available at the Bank or from the Agricultural Office. It is in effect until March 31, 1975. The repayment term is a maximum of five years of principal and interest. Again two points. Consult your banker for details. There is no rebate of any kind on this loan. The advantage is a low interest rate.

4. Industrial Milk Incentive Program, 1973 — this became effective July 1, 1973 for dairy farmers. Every registered shipper received the leaflet (green) in a direct mailing from the Ontario Milk Marketing Board. The loan can be used by both milk and cream shippers. A special Newsletter was sent from the County Office at Stirling to milk and cream shippers. It pointed out the highlights. I won't review them in this letter but I want to emphasize the main points. The application for this loan is available only from the county office. A completed application has to go to a provincial committee for final approval. An approved loan application is returned to the farmer and he takes it to his banker. The interest rate is prime (7 1/4) plus 1 per cent, a total at the present time of 8 1/4 per cent. Maximum term of loan is 5 years. It requires nominal production increases to take advantage of all parts. Only interest is paid the first year, then 4 years of equal principal payments plus the decreasing interest. The main feature is that if the requirements are met, 20 per cent of the principal payment will be rebated in each of the second, third, fourth and fifth years.

Last minute flash — Increase in payment for industrial milk has just been reported in the press. No details are available. It looks like \$1.00 per hundred as near as can be determined at the time of writing. For anyone making plans to build a milk house, buy a bulk tank,

renovate a stable, or make other improvements, it would now seem that the time is right to get down to business. This incentive program has, to be underway by the end of June 1974, the actual work has to be completed by the end of December 1974. The point is, add up the facts including this incentive program, plus the change in milk price, plus whatever Capital Grant you have left and work out what needs to be done to the best advantage of you, the farmer.

5. Ontario Beef Heifer Loan Program — this came into effect in 1972 to make credit available for the purchase of bred or open heifers to be used in a breeding program. It offers a 7 year repayment term with only interest the first two years, equal payments of principal plus the current interest are paid the following five years. The interest rate is prime rate plus 1 per cent and it is a guaranteed loan by the Province of Ontario. Leaflets on this loan are available at your Agricultural Office and from your Bank. Three points. Consult your banker. He is the man to whom you make application. There is no rebate on this loan. The advantage lies in the interest rate and the terms of repayment.

In the five preceding points, I have discussed the main features of the sources of credit that we are currently working with and using in Hastings County. These are by no means all of the sources. The other sources have to include Farm Credit Corporation which is used in longer term loans. The normal bank loans that people make as individuals. The possibility of borrowing money privately. In other words, there are a wide variety of things available in the credit field. The problem is to sort out the right one for the individual operation. In some cases it will be a combination of these sources of credit. Finally, keep in mind that it is just as important to work out the right method and manner of repayment as it is to get the loan established.

OBITUARIES

MRS. WILLIAM RICHARD GRIFFIN
Millbridge

A Millbridge resident for 56 years, Mrs. Elizabeth Leone Griffin died in Centre Hastings Nursing Home, Deloro, on Tuesday, August 14th, 1973 in her 88th year. She had been in failing health for several years.

Mrs. Griffin was born in Toronto, the daughter of Mr. and Mrs. Charles Redwood. She was educated in Toronto and was a member of the United Church.

Mrs. Griffin was predeceased by her husband, William Richard Griffin, and is survived by three sons, William R. Griffin of Wellington, Charles F. Griffin and George E. Griffin of Millbridge, a daughter, Mrs. F. (Margaret) Canniff of Bowmanville, 17 grandchildren and a number of great-grandchildren.

The funeral was held on Friday afternoon, August 20th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. Charles Staples of Stirling. Interment took place in Eldorado Cemetery.

Bearers, all grandsons were: Claude, Glen and Jerry Canniff, John, Larry and Donald Griffin.

DR. GEORGE N. MAYBEE

George Maybee was born in Madoc, Ontario, in 1913. He was the only child of the late George Frederick Maybee and Irene Pym and the only grandchild of Mr. and Mrs. Marshall of Madoc. From 1930 until 1933, he was organist and choir director at St. Peter's Presbyterian Church. He then became organist and choir director of St. George's Cathedral in Kingston — a position he still held at the time of his death on Tuesday, July 3rd, 1973.

Dr. Maybee became the only living Canadian Fellow of the Royal School of Church Music. His choir at St. George's was described as the best on the continent and made history as the first "foreign" choir to have ever sung inside the ancient walls of Westminster Abbey.

Dr. Maybee's only surviving relative is a half-sister, Miss Leonor Vandervoort, Los Angeles, California.

Bench In Peace Park

Vandals destroyed one of the stone meditation benches in the Lester B. Pearson Peace Park recently. Sufficient force was used that pieces were found 10 feet down the hillside.

The damage was discovered by Johan Wetlesen, a retired electrical engineer and Toronto director of the park when we went for a walk in the park in the evening.

"Such vandalism in a peace park is deplorable, particularly following the Memorial Service to Mr. Pearson in July," he said.

Another stone bench in the park was also attacked, but it withstood the assault.

"Persons who would do such a thing must be emotionally disturbed," said Roy Cadwell, Chairman of the park. "This means that there is someone in the area who is emotionally sick and should receive treatment."

"The bench will be replaced, but the person who would do such a thing needs medical care or he will do something worse." The police are investigating.

FRIENDLY HINTS FARM ACCIDENTS FACTS.

The total operation of a farm must function smoothly and according to plan in order to be successful. Accidents can disrupt the best plans, deplete profits and in many instances deprive farmers of their livelihood. To guard against such costly and crippling losses, the farmer must incorporate safety into his management planning. He must "manage to prevent accidents" by impressing on his family and employees the necessity of working safely while performing their daily tasks.

The accidental death rate on the farm is estimated to be 20 percent higher than the national average. While the percentage of Canadians engaged in farming has declined, the numbers of farm accidents have increased. Farming continues to have the third highest accident frequency, exceeded by the mining and construction industries.

The principal types of farm machinery accidents involve the victim being caught in the machines or being crushed. Causes, in many instances can be traced to guards and shielding being left off, servicing under power and falls from moving equipment.

In the home the major types of accidents are falls, fire, poisoning and suffocation. A neat orderly farm home is a safer place to live.

The responsibility of preventing accidents on the farm and in the rural community rests with all persons engaged directly and indirectly with the farming industry. Remember, it is up to you — WEED OUT FARM HAZARDS!

TOWNSHIP OF MADOC FINANCIAL STATEMENTS

AT DECEMBER 31, 1972

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Madoc.

We have examined the 1972 financial statements of the Corporation of the Township of Madoc. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Madoc as at December 31, 1972 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

Peterborough, Ontario. Humpage, Taylor, McDonald & Co.
June 8, 1973. Chartered Accountants.

NAME

ADDRESS

LOOKING BACK

50 YEARS AGO
August 15, 1923

During the past few weeks Mr. Munro has had a gang of men clearing away the ground for the putting in of a spur on the Madoc-Belleville branch of the G. T. R. near Cottage Cove station at Moira Lake. Mr. Munro has millions of tons of limestone rock, easy of access, which can be easily and cheaply loaded into the cars. We understand that Mr. Munro has a long contract for shipping this one-man handled rock to the city of Toronto. They are already loading cars for the purpose now.

Devastating forest fires are reported to be running north of Madoc. The people around the Empey Settlement, Millbridge, Plintons, Cooper and Sulphide are out fighting fires to protect their homes which have been endangered. A campaign has been put on by the government for the purpose of educating the people to take every possible precaution of the destruction of our forest wealth by fire. Immense sums of money are spent yearly in the employment of fire rangers for the same purpose. Newspapers have used their columns for the purpose of educating the public to use extreme care in putting out fires and to see that they are thoroughly extinguished before they leave them and yet, through the carelessness of individuals and other causes Canada loses millions of dollars every year in the destruction of forests by fire.

If there has been one thing more than another in which there is complete unanimity among all classes of the Community whether dweller in town or in the country it has been the desire for rain. The town householder has desired it; the farmer constantly invoked it; and the man who was fighting fires to the east, north and west of us prayed for it; and at last on Wednesday, August 14th down it came in abundant showers, filling the cisterns and wells, refreshing the pastures and aiding in extinguishing the forest fires. Man never knows and appreciates his full dependence on rain until deprived of it, yet man in his clearing up of the country, by clearing out the beds of streams drawing of swamps and the cutting of forests does all he can to lessen the amount of the annual rainfall. Although lack of rain since last June has meant the loss of millions of dollars of wealth to this country yet rain even now will help the root crops and the pasture lands.

Birth — At Belleville General Hospital on August 1st, to Mr. and Mrs. Harry W. Miller, a daughter, Marguerite Aileen.

Marriage — On Saturday, August 4th, at the Rectory, Tweed, the Rev. A. E. Smart united in the bonds of Holy Matrimony, Mary Edna Evelyn Stout, daughter of Mrs. John Stout of Tweed, and John Ernest Backus of Winnipeg, Man.

Death — The death took place today at Plainfield of Mrs. Elizabeth Moore widow of the late Alex. Moore, of that place and mother of Mr. Alex. Moore. Mrs. Moore has reached a great age and her decease was not unexpected.

The people of the Gilmour district were all shocked on Tuesday afternoon to hear of the sudden death of Mr. Thos. Ricketts, one of our most respected residents. Those who were home for the funeral of their father were Mr. and Mrs. Thomas Ricketts, of North Bay; Mr. and Mrs. Fred Ricketts, Mr. and Mrs. Jeff Ricketts, of Detlor.

24 YEARS AGO
August 11, 1949

Dreaded poliomyelitis has taken two deaths in this immediate community during the past week, little Jimmie Vance, 8-year-old son of Mr. and Mrs. Horace Vance, Thomasburg, died in Kingston Hospital on Monday, while Robert Maxwell McCulloch, 8-month-old infant son of Mr. and Mrs. Robert McCulloch, Tweed, died in Kingston hospital on Tuesday of suspected polio. - Tweed News.

Thieves forced their way into the Stirling Post Office some time during Wednesday night of last week and escaped with a large quantity of stamps and a small sum of cash. The thieves are alleged to have gained entry through a window. The Provincial Police are investigating.

A bowling rink with Jack Hatch, Jim Watson and Percy Locke, as skip, played in the Deseronto Trebles Tournament on Wednesday and were successful in winning second prize.

Sixty years ago on August 5th, 1889, a pretty wedding was solemnized at the little Anglican Church in Glen Lewis by the Reverend T. Austin Smith, when Miss Edith Whittaker, of Hungerford township, became the bride of Everton C. Tufts, of Madoc Village. In honour of that happy event, Madoc citizens and people of the surrounding community extended to Mr. and Mrs. Tufts their congratulations and best wishes. There were six children, three boys and three girls. Mrs. Marguerite Thompson, of Ottawa; Mrs. Adam Yearwood, of Campbellford; Mrs. Jas. Bird, of Madoc; Garnet Tufts, of Vancou, Sask.; Kenneth Tufts, of Belleville, and Manley Tufts, who died two years ago. On Sunday Mr. and Mrs. Tufts held their anniversary dinner at Moira Lodge, when all the family, who could be, were home to celebrate the occasion.

Announcements — Mr. and Mrs. Field Allan, of Madoc wish to announce the engagement of their daughter, Gladys Jean, to Mr. Herbert Reginald Mouck, son of Mr. and Mrs. Clarence Mouck, Thomasburg. The marriage will take place on September 3rd, at two-thirty, at St. Peter's Presbyterian Church, Madoc.

Mr. and Mrs. Richard William Whitsey, Brampton, Ontario, announce the engagement of their daughter, Margaret Jean

Falconer, to Mr. Alexander Morton Watson. The marriage to take place at St. Andrew's College Chapel, on September 3rd.

Wedding — Sacred Heart Church, Marmora, was the setting for one of the most attractive weddings of the season on Monday morning, August 1st, when Eva Marie, daughter of Mr. and Mrs. Fred Johnston, was married to Mr. Robert Patrick O'Riordan, son of Mr. and Mrs. Robert O'Riordan of Madoc. Rev. Father H. J. Farrell officiated. Miss Dorothy Forrestell was the bridesmaid, and Miss Jean Johnston, R.N., sister of the bride, was maid of honour.

Births — In Belleville General Hospital, on Saturday, August 6th, 1949, to Mr. and Mrs. Charles Fobear, a son.

In Tudor Township, on Sunday, August 7th, 1949, to Mr. and Mrs. William Anderson, a daughter.

In Madoc Township, on Wednesday, August 10th, 1949, to Mr. and Mrs. Leonard Graham, a son.

In Rawdon Township, on August 2, 1949, to Mr. and Mrs. I. V. Herrington, a daughter, Lila Myra Allene.

In Belleville General Hospital, on Friday, July 29, 1949, to Mr. and Mrs. Bernard Barry, a son.

15 YEARS AGO
August 21, 1938

The Madoc Junior Softball team won the first game of the Ontario Junior "C" play-offs, when they defeated Stittsville at the local park last Saturday night 3-0. The game which proved to be a thriller was largely attended. The second game of the series will be played in Stittsville this Saturday with the winner of the best of three series advancing to the second round of the playoffs. Last year, the Madoc Juniors won the Ontario Championship and it is reported that the Juniors this year have a good chance of doing the same.

Madoc Armouries was filled to near capacity last Friday night when the Progressive Conservative nomination was held to name a candidate to contest the East Hastings By-Election to be held on September 11th. The by-election was called to fill the seat vacated by Roscoe Robson who resigned to accept the position of Hastings County sheriff. Warden Price defeated V. A. McMurray on the final ballot and the balloting was not completed until after 1 o'clock in the morning. Six candidates allowed their names to go before the convention: Deputy Reeve Harold Vardy, of Hungerford, who was defeated on the first ballot; Reeve Charlie Long, of Tyendinaga, who lost out on the second ballot; William J. Davis, Reeve of McClure, Wicklow and Bangor, who went down on the third ballot, and former warden Jack Kincaid, who lost out on the fourth ballot. Five others were nominated but declined to allow their names to stand. These were Ex-Warden Arthur McCarey, of Tweed; T. C. Graham, of Tweed, who was absent from the meeting; Reeve Alf. Wickett of Thurlow; Bruce White, son of Senator George White, of Madoc, and Dr. H. N. Hartt, of Roslin.

Miss Isabelle Burnside, of Madoc Township, who will become the bride of Donald Martin, Tweed, on Saturday, August 23rd, has been honoured at several social events prior to her marriage. Miss Burnside will be on the staff of Tweed Consolidated School in September. Harts-Ruggs' Women's Institute members gathered at the cottage of Mrs. Wm. Bate-

man Moira Lake, recently a miscellaneous shower was arranged in Miss Burnside's honour. Mrs. Allan Lott (the former Phyllis Kleinsteuber, of Tweed) entertained at a linen shower, when friends of the bride-to-be who has been associated with her in Junior Institute and Junior Farmer activities, were in attendance. The ladies of Hazzard's United Church attended a miscellaneous shower for Miss Burnside at the home of Mrs. Allen Ketcheson, Madoc Township.

Weddings — On Saturday, August 9th, at 2 p.m., in a lovely setting of white gladioli and tall tapering candles, in Trinity United Church Peterborough, Rev. Lane, formerly of Madoc, united in marriage Shirley Lorraine May, daughter of Mr. and Mrs. John Hatch, Essex, Ontario, and James William, son of Mr. and Mrs. Hugh Stewart, Peterborough.

Tall standards of white gladioli and ferns formed a lovely setting on Saturday, August 1st, at 2:30 p.m., in Trinity United Church, Madoc, for a pretty summer wedding when Anne Burnside Nickle, of Madoc, daughter of Mrs. P. H. Naylor, and the late Dr. F. J. Nickle, was united in marriage to John Boyd, of Toronto, son of Mr. and Mrs. George A. Boyd.

THE HASTINGS COUNTY BOARD OF EDUCATION

A special meeting of The Hastings County Board of Education was held in the Board Room, 208 Bridge Street East, Belleville, at 7:30 p.m., Monday evening, July 23rd, 1973, with 11 members present.

E. Robinson — J. Spry — that the minutes of the regular meeting of June 25th, 1973, be approved as presented.

carried.

R. Rowe — J. Spry — that the report of the Building Committee meeting of Monday, July 23rd, be referred to Committee of the Whole.

carried.

R. Rowe — J. Spry — that the accounts for June, as presented by Business Administrator, K. Wormald, be approved for payment.

carried.

D. Thrush — E. Hawley — that the Board approve the submission to the Ministry of Sketch Plan Working Drawings for Learning Resource Centres and/or Special Education Facilities for 19 Elementary Schools, including: Madoc Twp. (Sp. Ed.), \$1,500.

Mrs. J. Hutchison — K. Little — that the changes in the various leave plans, and the 50% contribution by the Board in the Group Life Insurance Plan be applied to non-academic, non-union employees, effective September 1st, 1973.

carried.

R. Weaver — J. Spry — that the resolution passed at the regular Board meeting June 25, 1973, be rescinded and the following motion be approved: "That the Hastings County Board of Education approve the sharing with the Hastings-Prince Edward County RCSS Board for a one year period, of

Industrial Arts and Home Economics classes in Bancroft, Marmora, Tweed, and that an amount, as per Guidelines, be paid by the Hastings-Prince Edward County RCSS Board to The Hastings County Board of Education".

carried.

R. Weaver — E. Robinson — that the Board resolve into Committee of the Whole to consider the following items of business: Educational Services Building; Bylaw and Policy Committee; Non-Teaching Personnel; Hires, Transfers, Terminations; Leave of Absence; Termination of Contract by Mutual Consent; Variation of Service; Building Committee meeting - July 23, 1973.

carried.

R. Rowe — Mrs. J. Hutchison — that the time for adjournment of the meeting be extended beyond eleven o'clock for the purpose of giving consideration to further urgent items of business.

carried.

R. Rowe — R. Weaver — that the Board approve the Hires, Transfers, Terminations of Non-Teaching Personnel from April 1, 1973, to June 30, 1973, as shown on pages 417a, 417b and 417c of these minutes.

carried.

R. Weaver — D. Thrush — that the Board approve Mrs. Verna Peters' request for unpaid leave of absence for the period September 1, 1973, to August 31, 1974, due to health reasons.

carried.

R. Rowe — J. Spry — that Miss Valerie C. Burnett's request for termination of her contract by mutual consent due to her forthcoming marriage be

approved, such termination to be effective August 31, 1973.

That Mrs. Sharon S. Hiscoc's request for termination of her contract by mutual consent for family reasons be approved, such termination to be effective August 31st, 1973.

That Mr. Peter Bherer's request for termination of his contract by mutual consent for

personal reasons be approved, such termination to be effective August 31st, 1973.

Mrs. M. Graham — D. Thrush — that the Board rise and accept the Report of the Committee of the Whole.

carried.

Mrs. M. Graham — D. Thrush — that the meeting adjourn.

carried.

CARDS OF THANKS

I would like to express a sincere thank-you to all my friends and neighbours for their cards and visits during my stay in the Belleville General Hospital and since returning home.

Thanks also to the nurses on fifth level, Dr. Morphy, Dr. Derry, and Dr. Dossaj. Calls of Rev. D. Heard, and Rev. and Mrs. Vessey of Belleville, were also appreciated.
Mr. William Bandy.

I would like to thank all my very kind friends of Bannockburn, Eldorado and Madoc for the lovely cards, flowers and gifts I received during my long stay at the hospital.
Thanks to everyone.
Hattie Williamson.
32-1p

Our sincere thanks to all our relatives and friends for their thoughtfulness while we were patients in Belleville Hospital. Grace and Archie Ashley.
32-1p

I would like to say thank you to all my relatives, friends and neighbours who sent the cards, flowers and visited me while I was a patient in Belleville General Hospital and since my return home.
A special thanks to the nurses of Belleville General Hospital and also to Dr. Hoesin and Dr. Loudon.
Thanks to all who sent cards and gifts on the occasion of our 50th Anniversary. They were really appreciated.
Lena and Henry Roushoun.

We wish to express our sincere thanks to our friends and relatives of Madoc for their thoughtfulness and messages of sympathy during our recent bereavement. Also to Rev. Thompson for his visits and prayers.
Edna, Susan, Sharon, Linda and Gordon Pinder.
32-1

IN MEMORIAM
HOWE — In loving memory of dear John who passed away August 18th, 1972.
Whatever else we failed to do, we never fail to think of you. A smile for all, a heart of gold. One of the best, the world could hold.
Never selfish, always kind. These are the memories he left behind.
Ever remembered by Doris and families.
32-1

LEES — In loving memory of a dear daughter and sister, Diane, who passed away August 17, 1972.
When I must leave you for a little while
Please do not grieve and shed wild tears,
And hug your sorrow to you through the years;
But start out bravely with a gallant smile
And for my sake and in my name
Live on and do all things the same.
Feed not your loneliness on empty days,
But fill each waking hour in useful ways;
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near.
And never, never be afraid to die.
For I am waiting for you in the sky.
Lovingly remembered by Mom, Dad, sisters and brothers.

Fire Guts Actinolite Store
Fire of undetermined origin Sunday afternoon completely gutted the two-story frame building of Eaton's General Store at Actinolite, nine miles east of here.
Owners of the store, Mr. and Mrs. Jack MacIntosh, who purchased the business about a year ago, were away for the weekend when the fire broke out.
The fire, reported shortly after 3:00 p.m., Sunday, could have been started by an overheated refrigerator motor, but Inspector Paul McKerracher of the Ontario Fire Marshall's Department, has been called in to investigate.
Deputy Fire Chief, Ken Fisher, and all 15 volunteers of the Tweed Fire Department, fought the blaze with two pumps. The Ministry of Natural Resources sent two men to the scene when a call was put in for additional hose to pump water from the nearby Scootamatta River. Firemen tore shingles from the roof and broke out windows to gain entry into the building. However, the blaze completely gutted the structure, leaving only the walls standing. No household furniture or store merchandise was saved from the fire.
Exploding ammunition and bursting canned goods helped to keep back the crowd of bystanders attracted by the spectacular blaze.

LOCAL AND PERSONAL
Mr. and Mrs. Brian Dyck and Jody are holidaying with Mr. and Mrs. Gord Pigden at Moira Lake.
Mr. John McGuire and son Larry of Toronto spent the weekend with their aunt and uncle, Miss Agnes Walsh and Mr. Aloysius Walsh.

Belleville: Jim Watson, Doug Bailey, Wilfrid Forestell, Madoc, Pauline Hughes, Richard Raskotte, Hugh McNulty, Tweed.
Mr. Deacon, 53, a successful businessman who entered provincial politics in 1967, decided to seek the party's top provincial post when Liberal leader Robert Nixon announced intentions of quitting. To date, Mr. Deacon is the only declared candidate and has been travelling the constituencies making his personality and politics known.
"We are the party . . . that wants to have the power returned to the community, to the people . . ." said Mr. Deacon.
"Provincial government should also prevail in any reformation of local government still the most effective and efficient form of administration," he said.
"Let no one kid you that local government can't do the job in this complex society better than any other level of government."
"Provincial government 'scandals' are causing wide public concern," claimed Mr. Deacon. "Ontario people will stand for a lot of inefficiency," he said. "But when they haven't confidence in the integrity of the . . . government, they feel it's time for a change."

QUEENSBORO
Mr. and Mrs. Ralph Franklin visited Mrs. Sophia Van Heukelom at Deloro, and Mr. and Mrs. Willie Franklin at their cottage at Trent River.

(Continued from Page 1)
They all had one thing in common. With little or no breeze, thousands of people vying for a chance to meet the casually dressed opposition leader, were perspiring heavily under the hot August sun that was beaming down.
Mr. Stanfield, showing obvious discomfort at the heat of the day and the pressing sea of humanity, took the opportunity to crack a joke. "I want to assure you that while my shirt may be shrunk, my underwear isn't," quipped the owner of the Maritimes manufacturing firm.
Gradually wending their way through the crowd, Stanfield and Ellis eventually arrived at the corn and hot dog table. Munching on the butter-frenched corn, trying to meet everyone close by and at the same time finish the second of two cobs, the two Tories found respite with introduction of Chief Earl Hill of Deseronto.
The native of Mohawk leader introduced his group of young dancers from the Tyendinaga Reserve, who then performed several dances on the back of a trailer truck. Dressed in native costume, the youngsters danced and swayed to the beat of a drum for more than a quarter of an hour.
Before mounting platform steps, Mr. Stanfield met each of the

QUEENSBORO
A number from here attended the corn roast at Mother's Restaurant last Thursday evening that was sponsored by Jack Ellis, M.P. Hastings.
Everyone had a good time and had a chance to meet Robert Stanfield, leader of the Progressive Conservative Party.
The August meeting of the W.I. was held Wednesday evening at Miss Hazel Thompson's cottage at Kozy Cove on Stoco Lake.
Miss Sharon Lynn returned home to Cobourg after spending the past week with her grandmother, Mrs. Will Lynn. Master Robbie Lynn is spending this week with his grandmother.
Mr. and Mrs. Floyd Ray, Dale and Lana, Plainfield called on Mr. and Mrs. Arthur Holmes on Sunday afternoon.

dancers and was formally introduced to Chief Hill and his wife Lorraine.
Other dignitaries on stage included former Hastings M.P. Lee Grills, Hastings M.P.P. Clarke Rollins, Hastings Wardens Horace Casey, Reeve of Thurlow, Belleville Mayor Mrs. Robin Jeffrey, Mr. Kincaid, Ontario PC Association President Kenneth Smith, Senator George White of Madoc, Mr. Aikenbrack, and Mr. Ray Burris.
After a brief address, Mr. Stanfield was presented with gifts from the PC association.
Quite a rare cheese, a bottle of Corbyville's finest, a Bancroft saddle desk set, and a windbreaker from a Belleville factory. It was this item that prompted the crack about Stanfield brand underwear and the heat of the day.
Back for more hand-shaking, the Tory leader and local Conservatives stayed on the grounds for about a half hour.
"This is where he really shines," Mr. Ellis said of his party leader. "When he gets to meet people face-to-face."

R.R. No. 1, CLOYNE
Miss Laura Meeks spent a couple of weeks with her grandmother Mrs. Cora Rose, Uncle Nelson and Great Grandfather Charles Rose.
Mrs. Cal Rogers and family of Kingston are spending a few weeks with relatives.
Mr. Nellie Roger, R.R. 1, Cloyne, and his sister Mrs. Fred Bush of Napanee attended the Catherine Kuhlman's service on Tuesday evening in Peterborough.
Capt. Allen Scott and Mrs. Scott an dfamily of Winnipeg, Manitoba spent a week with his parents Mr. and Mrs. Bill Scott. Also Mrs. Earl Cooke and finally of Richmond Hill spent a week with her parents Mr. and Mrs. Bill Scott.
Mrs. Ann Scott of Huntville is visiting her son Mr. Bill Scott and Mrs. Scott.
Several from the district attended the wake and funeral of Mrs. Hazel Anderson at Napanee on August 1st.
Belated Birthday Wishes to Mr. Stanley Gregg of Vennachar (R.R. 1 Cloyne) who was 90 years old on August 8. Mr. Gregg is still enjoying fair health.

THE MOIRA WATERSHED

(By Jim Gallivan,
Technical Advisor,
Project S.W.E.E.P.)

This summer, the Conservation Authorities Branch, Ministry of Natural Resources, is engaged in a biological inventory program. This program was set up to provide a list of areas of biological significance in each Conservation Authority. These areas include spawning grounds, locations of rare plant species, virgin tree stands, and nesting sites of rare or endangered birds as well as marshes, heronries and deer yards. When completed, this study will provide an overall picture of the sensitive biological areas in eastern Ontario. The information gathered will enable the Conservation Authorities concerned or the Ministry to acquire properties which would probably be lost through other forms of development. It will also provide regional planners with a ready source of information on sensitive areas such that these can be taken into account during the decision making processes. While in several instances this might result in an increase in the cost of development, the return in terms of recreation and maintenance of the biotic community would probably offset

LOCAL & PERSONAL

Mrs. C. H. Comerford of Belleville spent this week with Mrs. Cecil Davis, R.R. 1, Eldersburg.

QUEENSBORO W.I.

The August meeting of the Queensboro Branch of the W.I. was held at Miss Hazel Thompson's cottage at Stoco Lake, with Mrs. E. Armstrong acting as hostess.

The President, Mrs. Ken Cassidy opened the meeting in the usual way. The roll call, "How many neighbours have you visited lately?" was answered by 12 members. There was one visitor.

Correspondence was read and attended to. There was a short business discussion.

Mrs. William Cassidy, Convener for Family and Consumer Affairs, was in charge of the program. Each member read a household hint. A reading "It's all the size of your heart" was given by Mrs. Arthur Holmes. Miss Roberta Sager read a short article on burn accidents and Mrs. Roy Rollins gave a reading on "Dental Care". Mrs. McMurray read "Take Stock of Staples in your Kitchen Shelf," after which Mrs. Armstrong read "Roses in Full Bloom".

Mrs. Wm. Cassidy read two interesting articles, "Poisonous Necklaces", and "A Cigarette Talks to a Girl".

The meeting was closed with the Queen and lunch was served by the hostess and her assistants.

Price Increase For Industrial Milk

The Honourable William A. Stewart, Minister of Agriculture and Food, expressed satisfaction with the announcement by the Federal Minister of Agriculture, Mr. Whelan, that the price paid for industrial milk would be increased. "This is in line with requests I made to the Federal Minister of Agriculture on occasions during the last few weeks," said Mr. Stewart. In commenting on the announcement, Mr. Stewart said that this increase will certainly help compensate dairy farmers for the increased costs they have incurred for feed and other purchased goods necessary for the production of milk. With the additional returns per hundredweight of milk, coupled with the recently announced industrial milk incentive program in the Province of Ontario, Ontario's producers will be in a much more competitive position and will be encouraged to produce Ontario's share of the market-share quota program for industrial milk.

Mr. Stewart noted that the Federal announcement indicated that the price of milk products to the consumer will not be affected by this welcome increase in price, necessary for the farmers to keep pace with increased costs, while at the same time helping to ensure that adequate supplies of milk will be available for the various dairy products.

These areas can be manipulated for greater wildlife productivity thereby increasing their recreation potential. The acquisition of such areas while the Authorities have the resources provided by students from Project S.W.E.E.P., would enable them to use the labour available to perform the tasks needed for management purposes. These areas are a part of our natural heritage and if we are to protect them from the developer, we must also protect them from ourselves. The wise management and/or the protection of biologically significant areas will ensure their survival and act to maintain the biological diversity and stability of the watershed.

Council of the Townships of Elizabethtown and Grimsby met at Actinolite, Ontario, on Tuesday, August 7th, 1973 at 8:00 p.m. All members were present, except J. Robinson, and Reeve K. Smith presided.

The minutes of the July meeting were read and on motion of J. Kehoe, seconded by E. Alexander, approved.

Correspondence was read and accounts presented.

It was moved by K. Cassidy, seconded by E. Alexander, that the following accounts be paid: Road Voucher No. 7, \$299.91; Auditor, \$1,499.15; Misc., \$116.57.

K. Cassidy seconded the motion of J. Kehoe that the Township enter into an agreement with the Village of Tweed for Senior Citizens Housing.

One application from the Land Division Committee was considered.

It was moved by E. Alexander, seconded by J. Kehoe, that by-law No. 323 to hold a vote under the Liquor License Board of Ontario, on October 17, 1973, be given the necessary readings and passed and that certified copies be sent to L.L.B.O. and Chief Election Officer.

K. Cassidy's motion was seconded by J. Kehoe, that council adjourn to September 4th at 8:00 p.m.

Lloyd H. Price,
Clerk - Treasurer

Queensboro on Thursday, August 2nd, 1973. Born in Queensboro 22 years ago, he was a son of Leone Shields and the late Joseph Lalon. He was not married.

Surviving are two brothers, Joseph of Belleville and Gerald of Queensboro and two sisters, Mary and Rosanne, both of Queensboro.

Deceased was a member of Sacred Heart of Mary Roman Catholic Church at Madoc.

The funeral was held on Saturday, August 4th, from the Cassidy Funeral Home, Tweed, to Sacred Heart Church, Madoc, for mass at 9:00 a.m. Reverend Father P. H. Murphy officiating. Interment took place in Queensboro Cemetery.

Bearers were Larry Lalonde, Jonas Kelly, Vince Rashotte, Joe Kelly, Tom Quinn and George Wiggins.

Just Arrived — A truck load of brand new 1974 snowmobiles arrived last week at Hulin's Garage and Farm Supply. Now is the time to buy when the selection is good.

O.P.P. REPORT

During the week of August 3rd to August 10th there were 16 motor vehicle collisions resulting in 16 injured persons, 12 charges laid, and an estimated \$13,355.00 property damage.

Three search warrants were executed within the week. One "still" was seized and an escapee from a training school was apprehended. The escapee, a 16-year-old boy, was turned over to officials of the Brookside Training School.

As the result of a high-speed chase in the township of Hungerford one male subject was apprehended and charged with "Dangerous Driving" and "Possession of Marijuana".

At 2:25 a.m. on August 5th, 1973 we received a report of an attempted car theft in the village of Madoc. The thief was surprised by a neighbour of his would-be victim and fled from the scene.

Two bicycle thefts were reported but both were found. Five further complaints of theft were investigated with the result of approximately \$395.00 worth of property being stolen. Property ranged from garden produce to an explosives detonator.

One male subject has been charged with "Wilful Damage" following an investigation into a report of a broken window in one of the local business in Madoc.

On Tuesday at 9:35 a.m. as the result of a telex message from Toronto, a man reported missing from that city was located and returned home by his brother.

Liquor violations this week included - Having liquor in other than residence, 5; and Impaired Driving, 3.

Sergeant R. N. Dowd.

Madoc Township Council

Mr. Robert Fisher from auditors Humpage, Taylor and McDonald, was present at the Tuesday, August 7th, meeting of the Madoc Township Council at eight o'clock in the evening. Reeve Cecil Woods was in the chair and Deputy Reeve John Irwin, and Councillors Christie Bailey and John Irwin were also present.

Mr. Fisher thoroughly went over the auditor's report and helped prepare a budget for 1973.

On motion of Harold Harris and Christie Bailey, the minutes of the July meeting were approved as read.

Irwin - Bailey - that the road superintendent's report of \$31,139.37 for July be approved for payment.

George Williams, Road Superintendent, reported on the cost of rebuilding the Old Marmora Road for Huntingdon and Madoc Townships.

Correspondence was received and filed. Bills were presented and approved for payment. Council agreed to allow the Madoc Township property, south of Eldorado, to be used as a ball diamond.

Irwin - Bailey - that council go into committee as a whole on by-laws to set the tax rate for Madoc Township. The following rates were set: County Rate, 27.5 mills; Township and Roads, Residential 14.9 mills, Commercial 23.4 mills; Elementary Schools, Residential 23.13 mills, commercial 31.26 mills; Secondary Schools, Residential 25.02 mills, commercial 27.80 mills; Separate Schools, Elementary, Residential 25.44, commercial 39.28 mills.

Council resumed as before. Bailey - Harris - that council adjourn.

Eva L. Brownson
Clerk - Treasurer.

Bank Rates Increase

The Toronto Dominion Bank announced last week that its prime lending rate would be increased by one-half per cent to 8 1/4 per cent, effective August 8.

It was announced at the same time that interest paid on Premium Savings Accounts is increased by one-half per cent, to 6 1/4 per cent. This increase is retroactive to August 1.

THIS WEEK from Ottawa

PM TO VISIT CHINA

Prime Minister Trudeau announced in Calgary that he will visit China, meet with Chinese officials to discuss trade matters and hold talks with Premier Chou En Lai in mid-October for about two weeks.

Mr. Trudeau was invited by Premier Chou to visit China, during the visit of former Industry, Trade and Commerce Minister Jean-Luc Pepin in the spring of 1973.

OIL TANKER ROUTE

External Affairs Minister Mitchell Sharp told the House of Commons that Canada is just beginning to fight the environmental threat created by American tankers carrying oil from Alaska along Canada's British Columbia coast.

Canada will continue to make representations to the United States on the tanker route but he said, it can do nothing to

WORLD INFLATION

At a meeting of the International Monetary Fund in Washington, Finance Minister John Turner called on the world's leading finance ministers for world-wide action against inflation. Rising prices have become a serious problem for all industrial countries.

EMBASSY IN SAIGON

Canada and the Republic of Viet Nam have agreed to establish diplomatic relations at the ambassadorial level.

Edward Anthony Skrabec, already in Saigon as part of the Canadian peace mission, will serve as the first head of the Canadian mission.

CANADIAN MUSEUMS

Secretary of State Hugh Faulkner announced 18 grants totalling almost \$2 million to museums and galleries across the country, as part of the federal government's National Museum Policy.

The Policy, announced in March 1972, is concerned with making Canadian museum collections available to the widest number of Canadians.

COMMONWEALTH

Heads from 32 Commonwealth countries are meeting this week in Ottawa for the 10-day Commonwealth Conference.

Discussions will focus on world affairs, including political, economic and development matters; comparative techniques of government, which will cover policy-making, economic strategies and communication with the public; and projects for co-operation amongst the Commonwealth countries.

BARNETT — FOLEY

Sacred Heart of Mary Church, Madoc, was the scene of a quiet but pretty wedding on Saturday, July 28th, 1973 at one o'clock when Brenda Jane, daughter of Mr. and Mrs. Joseph Foley, 114 1/2, Madoc, was united in

marriage to Donald William Barnett, son of Mr. and Mrs. William Barnett of Tweed, in a double-ring ceremony performed by Reverend Father P. H. Murphy.

Baskets of red and white gladioli adorned the altar and large white bows with rosebud centres designated the guest pews. Serving on the altar was a friend of the groom, Mr. Michael Raahotte of Tweed.

Wedding music was played by Mrs. Jean Bailey, who accompanied the soloist, Donald Bailey, as he sang, "The Wedding", "True Love" and "It's Only Just Begun".

The bride was escorted down the aisle by the groom. She was lovely in a floor-length empire-waisted gown of a fine white knit featuring short puff sleeves with a wide cuff and a lace pattern on the bodice enhanced with three dainty red rose appliques. She wore a wide-brimmed hat of white straw with red appliques. Caught at the back of the hat was a single-tier veil with white appliques which fell to

—MR. and MRS. DONALD W. BARNETT

her waist. She carried a bouquet of red roses and white carnations.

The bride's twin sister, Mrs. Barbara Rivers, of Belleville, was matron of honor. She wore a floor-length gown of blue floral sheer over taffeta with short sleeves, a wedding-ring collar, and a tie at the back of the empire waist. She carried a bouquet of white roses and blue-tinted carnations.

Bestman was Mr. Peter Cassidy, of Tweed, friend of the groom.

For the reception held at the home of the bride's parents, the

mother of the bride received the guests wearing a floor-length gown of sheer chiffon over taffeta with a floral pattern in tints of blue, pink and mauve, complimented with a corsage of white and blue tinted 'mums. Assisting, the groom's mother wore a dress and jacket ensemble of mint green linen and a corsage of bronze 'mums.

The bride's table was centered with a three-tiered wedding cake featuring a bride and groom between the second and third tier and a cluster of roses on the top layer. Pink tapers in crystal candelabra were on either side of the cake.

For travelling to Niagara Falls and Walton, New York, the bride donned a two-piece pant suit with pants of pink crimpoline and a matching plaid jacket over a white seersucker blouse. A string of beads in hot pink and pale shades of pink and a corsage of white and blue-tinted carnations completed her ensemble.

The couple are residing at Tweed, Ontario.

The Madoc bowlers have taken part in several inter-club jitneys.

On July 24th twenty members of the Campbellford Lawn Bowling Club visited Madoc. On this occasion the high scorers were Mrs. D. Pelley, Mrs. M. Raynor and Bill Ralstone. In second place were Mrs. L. Austin, Mrs. R. Exton with skip C. Whittemore. Two teams finished third: Mrs. L. Farrow, Mrs. L. Booth and P. Locke; and K. West, Mrs. T. Kingston and Chuck Exton.

On a visit to Campbellford the high scorers from Madoc were F. Palmer (23), R. Dafee (23), and I. Hughes (14).

In Stirling Mrs. F. McCoy, Mrs. L. Farrow, Mrs. D. Palmer and Mr. and Mrs. R. Dafee had a score of 20; C. Whittemore tallied 19, and C. Farrow 18.

Bantams Win First Game

Last night at the local ball park, Madoc took the first game of the O.R.S.A. semi-finals by defeating Cayuga 23-18. Hard hitting and timely bunts put together the winning combination for the Madoc squad.

Top hitters for Madoc were Elliott, hitting 6 for 8; Nickle, beating out the bunt three times out of four and scoring four runs; Forestell, who went three for five, while the long ball came from Brooks who hit a grand slam, a triple with the bases loaded and finished off with another homer, and Carwell with a home run and a triple. Cayuga also connected for 2 home runs, one from Moodie and the other from Kimball. Steven Johnston pitched the entire game, striking out nine and walking five.

Battery for Madoc was Johnston and Forestell and for Cayuga was Moodie, Kimball and Novatia. Line score:

Cayuga: 400 204 440 - 18
Madoc: 404 720 60X - 23

Second game of this series will be played in Cayuga on Saturday, August 23rd at 3 o'clock. Anyone interested in helping the team in any way is asked to contact Ernie Carwell.

The boys are selling tickets on a transistor clock radio to help finance their trip to Cayuga. They would appreciate the support of the community in meeting their travelling expenses. The draw will be held on September 9th.

BIRTHS

PATTERSON — John and Marilyn (nee Thompson), Belleville thank God for the safe arrival of their first born, a daughter, Linda Carol, 9 lb., 2 1/2 oz. on Friday, August 10th, 1973. First grandchild for Mr. and Mrs. Kenneth M. Thompson, Roslin and third grandchild for Mr. Glenn Patterson. Tweed. Special thanks to Dr. Rackham and nurses on 5th floor.

WACKER — Manfred and Barb (nee Carman) are happy to announce the arrival of Michael Kurt, 8 lbs., 2 oz. at Peterboro Civic Hospital, August 11, 1973. A brother for Lisa and 9th grandchild for Mrs. Vic Johnston.

Madoc Bantams Win First Series

The Madoc Legion Bantams travelled to Douro on Wednesday evening for the second game of the O.R.S.A. playdowns and captured the Eastern Ontario Championship title by defeating Warraw 10 to 7, taking this series in two games straight.

After being held scoreless for five innings, Madoc picked up three runs in the sixth, three in the eighth and four in the ninth.

Steven Johnston was the winning pitcher, striking out 8 batters and not giving up any walks. Don Payne of Warraw was the loser.

Coached by Ernie Carwell and Bud Reid, the team consists of Steven Johnston, Dan Forestell, Joe Brooks, Ed Mah, Joe Downe, Robert Nickle, Roger Elliott, Stewart Carwell, Doug Ross, Ron Hirst, John Watson, Jim Moore, Mark Johnston and Michael Genereaux.

Line Score:
Madoc 000 003 034-10
Warraw 302 000 200-7

This team now enters the semi-finals against Cayuga. The first game was played at the local ball park on Tuesday, August 21st at 8:30 p.m. See the results of that game above in this column.

SENIOR CITIZENS REPORT

by Mary Ann Holmes

The Madoc and District Senior Citizens Club No. 473 held their regular stated meeting on Wednesday, August 15th at 2:00 p.m. in Trinity United Church Parlors.

An attendance of about forty members and visitors were welcomed by the President, Mrs. Percy Broadworth. The meeting was opened by the President, with the Lord's Prayer being repeated in unison.

The minutes of the previous meeting were read by the Secretary Mrs. Johns, and approved as read. Several business matters were dealt with and approved.

Plans were finalized for our Annual Corn Roast to be held on August 29th at Price's Conservation Area. Transportation to be provided and members wishing to attend will meet at the Church at 2:00 p.m. Please bring your own thermos of beverage.

Further plans were made regarding the social evening to be held by the Madoc Club which is to be held in the Kiwanis Centre on September 5th. The Peterborough Club has been invited to join with us for

a "Pot Luck" dinner. Entertainment has been arranged for and we hope for a good turnout of members and visitors. Time 6:30 p.m.

A poem, entitled "Grandmothers" was read by Mrs. Broadworth and was enjoyed by all.

Mr. Wm. Bandy thanked the members for visits, cards and remembrances he received while in the hospital recently. He then treated the members to a mouth organ solo, which everyone enjoyed.

Two young ladies were present, one, the granddaughter of Mrs. Margaret Fox, whose name is Michelle Scarlet, and the other, Sheri Gibson. Both girls are from the Mona-Lisa Dance Academy and they performed acrobatic and ballet routines that surprised and delighted everyone. They were thanked by the Secretary and presented with a gift.

The remainder of the afternoon was enjoyed by playing Bingo and card games. A social half hour with refreshments concluded an enjoyable afternoon.

Next meeting, on the 29th of August, will be the Corn Roast.

MOIRA & STOCO LAKES WATER QUALITY SURVEY

Because of water quality problems related to enrichment and arsenic contamination which exist in Moira and Stoco Lakes and the recent and expected future improvements in waste control at Deloro, Madoc and Tweed, the Pollution Control Advisory Board of the Moira River Conservation Authority is sponsoring a detailed study of the water quality condition in these two lakes.

Sewage discharges to Moira Lake (via Deer Creek) from the village of Madoc terminated in July 1972, with the completion of the seasonal retention lagoon treatment system. Since that time, treated effluent has been discharged in November 1972 and March 1973. A similar waste treatment facility for the village of Tweed is scheduled for construction in 1973, and to be operational by 1974. In addition, treatment for phosphorous removal by chemical precipitation at Madoc is scheduled for implementation this fall.

With reference to the noted improvements in waste treatment at Madoc and Tweed and utilizing the information base provided by previous studies, the present study is designed to accomplish the following:

- 1) evaluate the effects of waste treatment at Madoc on water quality of Moira Lake;
- 2) provide further baseline information on water quality of Moira Lake and Stoco Lake for comparison with future evaluation of water quality changes related to phosphorous control at Madoc and improved waste treatment at Tweed;
- 3) monitor arsenic concentration in the lake environment concurrent with the established monitoring program at locations on the Moira River downstream of Deloro.

The field program is being carried out by the Technical Advisory Section of Project SWEEP under the direction of Technical Advisors Robin Allison and Chris Nickel. The program developed by Ministry of Environment officials for Project SWEEP and the Moira River Conservation Authority will study the various parameters of eutrophication and other pertinent water quality data and attempt to determine long-term effects and assess those effects on a more biological basis.

Biological parameters measured during this assessment

Miss Noreen Pigden, 1972 Madoc Fair Queen

CALLING ALL QUEENS

Members of Ontario Fair Boards and the press attended a noon meal at the Queen Elizabeth Building on the Canadian National Exhibition grounds last Wednesday in the presence of the contestants of the "Sweetheart of the Fairs" competition.

This area was well represented by Miss Noreen Pigden, Queen of the 1972 Madoc Fair. Although Noreen was not

among the finalists, she felt that being a participant in the CNE competition was a wonderful experience. She brought home some lovely prizes, including a silver charm bracelet.

Noreen is grateful to the Madoc Agricultural Society and the Canadian National Exhibition for their sponsorship, and to the companies that presented gifts to the contestants with gifts. Prize lists for the 1973 Madoc Fair will be completed by the end of this week. Entry forms and contest rules are printed in the prize lists for this year's Queen competition. All eligible girls are urged to start now in preparing their exhibits and make application for the contest before the closing date.

Noreen will be present at the 1973 fair on September 29th to bestow her lovely sash and crown to the winner.

REGULAR MEETING OF MADOC VILLAGE COUNCIL

The regular meeting of Madoc Village Council was held in the Council Chambers on Tuesday, August 14th at 7:00 p.m.

Members present were Reeve T. C. Barton, Deputy Reeve Kel Kincaid and Councillors Clayton Smith and Robert Kirkwood.

Kirkwood — Smith — that the minutes of the regular July meeting and two special meetings be adopted as circulated.

Kincaid — Smith — that Trecan Limited be notified of Council's interest in their proposal regarding refuse incineration.

Smith — Kirkwood — that the coverage for volunteer firemen through the Workmen's Compensation Board be increased to the new earnings maximum of \$10,000.00 per person annually.

Two letters from Mr. C. T. Rollins M.P.P. containing information regarding the amendment to the Municipal Act, as contained in Bill 168, dealing with County Council's options to determine their representation at County Council. Mr. Rollins expressed his opinions in the letters and requested the local Council's opinion at this regard. Several new deputies became eligible for County Council when the voting age was reduced to eighteen years. County Council then presented a Private Bill to the Ontario Legislature reducing the number of Deputy Reeves. This Bill has not as yet received assent. Bill 168 now grants the authority to Counties to within certain

guidelines, establish the qualifications for representation, by-By-Law, according to population, retain the present system, or allow Reeves only to sit on County Council.

Various opinions were expressed by members of the Council. The eventual consensus of opinion being that this matter should be left to the discretion of County Council, although one member thought that more information should be obtained.

Kirkwood — Kincaid — that the following correspondence be received and filed. Ministry of Transportation and Communications. Mr. C. T. Rollins, The Ministry of the Environment, Leak and Company.

Mr. Frank Downey waited on Council regarding the renewal of the various Village insurance policies. The policies were reviewed and approved by Council. Mr. Downey stated that commissions would be paid to the agents participating, on the anniversary of the policies.

Kirkwood — Smith — that all accounts signed by the respective committee chairmen be paid, and that those accounts paid during the month be ratified.

Corporation City of Belleville \$11,000. D. Tucker \$14,000. Madoc Group \$180.00. Hazen's \$200.00. E. W. Brown \$200.00. Paden's Plumbing & Heating \$26.70. Central Hardware & Co. P.C.O. Services \$22.00. Madoc Farm & Garden Supply \$47.80. Bert Jones Limited \$8.30. Pigden Motors (Continued on Page 5)

LIGHTNING STRIKES MADOC HOMES

Lightning struck two homes on the Old Marmora Road during Saturday afternoon's thunder storm and heavy rainfall.

At about four o'clock, the home of Mr. and Mrs. Wayne Bronson was struck twice. Bolts of lightning blew a hole in a bedroom wall in the upstairs and also blew a hole in the side of their television set downstairs. The telephone box was ripped from the wall and several electrical outlets were blown out. The entire wiring in the house was affected. Fortunately, no fire broke out. An estimate of the damage was not available at press time, but it is believed to be covered by insurance.

Shortly after, volunteers of the Madoc Fire Department were called to the home of Mrs. Beatrice Barry, 51 Seymour Street West, just down the line from the Bronsons. A bolt

of lightning had struck the house and fire broke out. By cutting through the roof, firemen managed to control the blaze, but there was a great deal of smoke and water damage to the building and its contents.

Elmer Safety Contest Winners

Lists of the Elmer Summer Safety Contest winners are mailed to the Review at the conclusion of each contest. Although there were no local winners in Contest No. 1, the following names appeared in the list of Contest No. 2 winners: James Fleming, R.R. 5 Box 44, Madoc and Harold Oliver, Katar. Both were second-prize winners who received C.C.M. accessory kits.

PROMINENT MADOC DOCTOR IS DEAD

Dr. S. R. "Bob" Beatty, well known to hundreds of families in the Madoc district where he practised medicine for close to half a century, died suddenly Wednesday evening, August 15, 1973 at Belleville General Hospital.

The still-active Madoc physician left his office late in July for his annual holiday and Monday of this week suffered the attack that was to claim his life.

Born 81 years ago at Thomasburg, son of the late Mr. and Mrs. James Albert Beatty, the Madoc physician had practised in Madoc for the past 46 years. Previous to opening his office in Madoc he had practised in Dundas, Ont. for two years.

Dr. Beatty had served as Hastings County Coroner for many years and as Medical Officer of Health for six area municipalities for over 20 years.

Dr. Beatty had given up making house calls but prior to taking his annual holidays was still taking patients at his office.

Although he had been practising medicine for nearly half a century Dr. Beatty was not always a medical man.

Following public school at Thomasburg and high school at Orillia and Stirling, he attended Peterborough Normal School and for several years taught public school in his native Huntingdon township.

Then, he answered his country's call, enlisting in the Canadian Army and served overseas during World War I. Following the war he decided on medicine as his future profession, taking his medical training at the University of Toronto from where he graduated in 1925.

But Dr. Beatty took time out from office hours to serve his community in many other ways.

A member of Trinity United Church, he served on the board of stewards; and also served his community as a hydro commission member and as a school trustee.

He was a member of the Madoc I.O.O.F. No. 179 and a past district deputy grand master of the I.O.O.F.

He was a member and Past Master of Madoc Lodge No. 48 A.F. and A.M. and was a member of the R.A.M. No. 161 at Madoc. He was also formerly active in the Madoc Kiwanis Club.

In recognition of his many years' dedicated service to the community, Madoc area residents in 1967 tendered him a testimonial dinner.

Dr. Beatty is survived by his wife, the former Hazel McLeod, a daughter, Mrs. Taylor (Phyl-

lis) Redden of Thornhill and four grandchildren, Sandra, Judy, Susan and Robert.

There are two sisters, Mrs. W. (Frances) Harrison of Roslin and Mrs. J. (Helen) Jeffrey of Peterborough, and a brother, Dr. Stanley A. Beatty who lives retired at Madoc. One sister predeceased him.

A largely attended I.O.O.F. Memorial service was conducted under the direction of Madoc Lodge No. 179 on Friday evening with representation from many area Lodges.

The funeral was held on Saturday afternoon, August 18th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. D. W. Heard.

Honorary Bearers were: Senator George White, Rev. Alfred Poulter, Thomas Lumma, Thomas Rupert, Dr. Bruce Cronk and Dr. R. Stevenson Morphy.

Active Bearers were: Clarence Farrow, Robert Woods, Jack Kincaid, Thomas Ross, John Bristol and Leo Coveney. Interment took place in Lakeview Cemetery.

\$1,300 Damages Result From Crash

Damages estimated at \$1,300 resulted from a two-car collision just north of the subway at Moira Lake on Highway 62 during Saturday afternoon's heavy rain.

At approximately 3:15 p.m., a 1969 Ford driven by 31-year-old Roy William Kelly of R.R. 5 Madoc, received \$800 damages to the front end when it rammed into the rear end of a 1970 Camaro stopped in the south-bound lane attempting to make a left-hand turn into the Casa Loma Lot. The Camaro was driven by Albert Michael Payne, 26, of Scarborough, and was damaged in the back end to an estimated \$700.

Both drivers and a passenger in the Payne vehicle were taken to Belleville General Hospital with minor injuries and were later released.

Royal Bros. Circus

The Circus Big Top will raise in Madoc on Friday, August 31st when the Kiwanis sponsors the local appearance of The Royal Bros. Circus.

The show grounds will be the Ball Park and circus morning will be a vivid scene of trucks, tents, animals and working men, as the circus hurries to erect its tents for performances at 6:00 and 8:00 p.m.

Adults wishing to relive childhood memories or to introduce their children to the magic of the BIG TOP, are invited to the showground early circus morning to view the activities and the feeding of the animals. The whole family will have a ball — "You won't even be asked to carry water for the elephant".

This year's circus performance boasts 15 great acts to entertain children of all ages. There are performing monkeys and poodles, prancing ponies and rib-tickling antics of the clowns. You'll see outstanding international circus stars, featuring jugglers, wire walkers, aerialist and acrobats. It's the kind of circus most parents have only been able to tell their kids about. Now Royal Bros. Circus presents a real traditional, old-fashioned family type tent show, filled with wonderful sights, sounds and smells.

The best part about Royal Bros. Circus is they care about families — that's why there are no reserved seats and why one low admission ticket admits you to the entire circus performance. Furthermore, if you buy your tickets in advance from any member of the Kiwanis you'll save enough to pay for the peanuts and cotton candy. Royal Bros. Circus Day is certainly one of the best and happiest holidays of all.

Mr. and Mrs. James Burns Celebrate 20th Anniversary

A surprise dinner party was held at the home of Mrs. Sonia Hirst and Eric, on the occasion of Mr. and Mrs. James Burns' twentieth wedding anniversary.

The head table was beautifully decorated with roses, pink

candles and wedding cake.

Those attending were Mr. and Mrs. Clarence Farrow, Mr. and Mrs. Everett Alexander and Mrs. Don Parks and Jewel.

The couple received many lovely gifts and a very enjoyable evening was had by all.

332 PLUS 3 PLUS 10
PLUS 3 PLUS 8 PLUS
70 TIMES 2 . . .

By Bill Smiley

My wife cannot understand why anyone wants to travel, when he can sit in his own backyard and commune with the gods. I'm beginning to agree with her.

Getting ready is kind of a pain in the arm, especially if you must have a vaccination. Obtaining a passport sounds easy. Heck, it's more trouble (than getting married or dying). All you have to do is fill in a form. The form is slightly more complicated than your income tax form.

Then, you must find someone who will swear that you are who you say you are. This person is called a guarantor and can be practically anyone except your neighbour.

Then you must obtain a birth certificate. This is fairly simple if you know where you were born. If you don't, or you happened to be born in Zlich, Yugoslavia, it can be complex.

You must have passport photos taken. You can't just use an old snapshot in which you look your best. Passport photos are an old joke. They usually make you look like a zombie. Strangely, ours turned out well. We didn't pose for them, because we knew they'd be gruesome, so they came out relaxed.

Besides passports and birth certificates, there is a myriad of other paper to look after, and you could use a full-time clerk for a week or two. Air tickets, money arrangements, hotel reservations and who's going to feed the cat.

A travel agent is almost a must in these days, when half the world seems to be on the move. He or she can smooth a lot of wrinkles and give valuable tips on how to win at least the occasional round in the game.

Many people go to big agencies in the city. My travel agent, a personable young local chap, couldn't have been more helpful and efficient. (Aside to Bill Mandly: everything, by golly, had better be right, after that.)

He told me something about air fares that is almost unbelievable. A return ticket to the U.K. can run all the way from a Christmas charter at \$187 to a regular flight at \$626 (under two weeks). I shudder to think what a first-class ticket would cost in the latter category.

Of course, a business man can write off the \$626 as expenses, and to the little old lady going back for a visit after fifty years, the \$187 special might represent months of scrimping. Even so, something smells in the discrepancy.

Travelling is not cheap, unless you want to swim across, which I've contemplated a couple of times as the bills mount. Only reason I haven't developed the idea is that my wife is a good swimmer, but only for about thirty yards. I'd hate to

see her go down thirty yards off the Halifax docks, and have to do all the rest on my own, with nobody to tell me I was steering the wrong course.

Not cheap! Good gravy. Just looked over the items before we even left the house. Air ticket - \$332; passport photo - \$3; passport - \$10; birth certificate - \$3; limousine to airport - \$5; Britrail pass - \$70. Those are just the basics. Multiply by two if you're a couple.

Then there are the ever-present extras: new clothes, expenses to get to city to get passports, and the inevitable sundries, too numerous to mention, as the auction sale ads put it.

That's before you get on the plane. You still have to eat and sleep for three weeks after you get there. However, I've cut the whole thing down quite a bit by cancelling our two daily paper deliveries for three weeks. Saved about \$6.50 right there.

Our Britrail pass allows us to go anywhere in the U.K. It may come in handy. We may be riding trains all night, every night, to save hotel bills. And we're taking along an eight-pound salami and six loaves of bread, so we might come through.

I have a vague idea that this column will not go down as one of the greatest pieces of exorbitant travel literature ever written.

But it is a little hectic around here. Six hours to takeoff, my wife is just starting to pack. I have to go down and sell my soul to the bank manager, get up to the school and look after some items for September, see young Wilson next door about feeding the cat, call the boy about mowing the lawn, pick up the dry-cleaning, get the books back to the library, and, somehow in there, try to have a shower and shave. We might make it, but I wouldn't bet higher than even money.

I'll try to do better next week, when you'll have a despatch from The Nag's Head, Middle Wallop, England.

ADDRESS

One of the most destructive fires that has visited this section of the country took place last Friday when Mr. Groff Jones lost his life and Mr. Robert Brodie's barn and out-buildings together with their contents were totally destroyed. Mr. McFarlane was threatening for Mr. Brodie when in some unaccountable way fire suddenly burst forth at the end of the blower, setting fire to the clothing of Mr. Jones, who was pitching straw, and burned him so badly that he died Saturday morning. The fire broke out about 3 o'clock in the afternoon and so quickly did the news spread that between 200 and 300 cars were on the ground to render assistance, and Madoc's fire brigade took out their chemical engine to help. Mr. Brodie's loss is partly covered by insurance.

The Moira district experienced one of the worst fires in its history when the home of Thomas Elliott was burned to the ground on Monday morning. The cause of the fire is thought to have been a defective chimney. At the time of the fire Mr. Elliott was in Belleville on business. Some men of the district did good work in saving the neighbouring property and some of Mr. Elliott's household effects. Mr. George Brown who played for Mr. Elliott lost \$130 in cash and all his clothes.

On August 6th the descendants and their families of the late Mr. and Mrs. George Barlow held their annual reunion at the home of Mr. and Mrs. Edgar Irwin, Irwin's Island, Deseronto. Sixty-five guests from Toronto, Havelock, Madoc, Belleville and surrounding communities spent a very enjoyable day. One of their number, a Mr. Buskard, was ill in the hospital but was remembered by flowers and greetings. During the day a baseball game was played between ladies and gentlemen resulting in a score of 29-12 in favor of the ladies. Umpire J. W. Barlow was the chief feature of the game and owing to his decisions the gentlemen protested the game, the protest to

be played off next year. Other sports consisted of games of swimming, races for the wee ones, and a peanut scramble. Mr. and Mrs. Irwin were presented with two rocking chairs and an address.

Tweed won the Trent Valley League on Saturday last when they defeated Madoc by a score of 5-2. Tweed scored one run in the first inning and continued to score until the ninth when they had eight to their credit. Madoc failed to score until the ninth when two men crossed the plate. Koen pitched for Tweed and with the support he had on Saturday stands a good chance of pitching in the finals. Watson pitched a great game for Madoc but his support was weak which accounts for the score.

Birth — At Sydenham, Ont., on Wednesday, August 15th, to Mr. and Mrs. W. P. Conlin, a daughter, Ruth Evelyn.

Marriage — On August 15th, 1923 James Joseph Bronson, fourth son of Mr. and Mrs. Simon Bronson, Hermon, Ontario was united in marriage to Miss Isabella Catherine Stringer, youngest daughter of Mr. and Mrs. Wm. Stringer, of Fort Stewart, Ontario. A very pretty wedding took place at the home of the bride on Wednesday, August 15th. Rev. W. J. Parsons officiating.

24 YEARS AGO
August 18, 1949

A race by police cruiser and airplane lost out to death a few miles east of Toronto, when Roy Burton, 19, of the REAF, died of a fractured skull. The young airman, who had been injured in a highway accident east of Madoc, was being brought to Toronto for medical attention. Burton and two friends had been picked up by a dump truck in Madoc and were on their way back to their homes in Ottawa. About two miles east of town, Burton, who was in the back of the truck, shouted that his hat had blown off. The driver was slowing down to stop and Burton jumped out of the truck. Police said he hit a guard rail on the side of the highway fracturing his skull and right leg. Provin-

Constables Jack Hatch and W. W. Lumsmiss rushed the injured youth to Belleville Hospital. After medical treatment at Belleville he was taken to the airport by ambulance where an RCAF plane was waiting to take him to Toronto. He died en route. Burton, who was stationed at Camp Borden, was on his way to Ottawa to visit his parents.

On Monday evening a representative group from the village of Madoc and various organizations within the village motored to Peterboro to call on the retiring Public School Principal of Madoc Village, Mr. James Irwin and Mrs. Irwin. It was an occasion to express verbally and with gifts the high esteem in which they were held by their old friends. The Reeve, Jack Kincaid, reviewed the very fine work that Mr. Irwin had done with the pupils in his charge during the past twenty years and voiced the regret of the community that ill health had caused him to retire. Mr. Ken Nicol, Chairman of the Public School Board, presented Mr. Irwin with a beautiful chime clock. Mr. George West praised Mrs. Irwin's qualities as a neighbour and friend and presented her with a walnut table lamp. With C. I. Ross, as master of ceremonies, other members of the deputation, Messrs. Wilfrid Forestell, Will Hart, Percy Holland and Robert McCoy, spoke in turn wishing Mr. Irwin a quick return to health and a happy life for both of them in their new home in Peterboro. The presentation was a complete surprise but both Mr. and Mrs. Irwin replied fittingly, expressing regrets at leaving their friends in Madoc.

Moira Lake continues to live up to its reputation for producing good fishing when several muskies were landed over the weekend. Your editor in company with Charlie Bonter, is leading the Kiwanis Contest, when a 21 pound, 12 ounce beauty was landed Tuesday evening.

More than 75 members of the Hannah family, and friends of Mr. R. R. Hannah, of Cooper, gathered at the home of Mrs. Aida, Demorestville, to celebrate Mr. Hannah's 90th birthday, on Saturday, August 13th. Mr. Hannah was spending the day with his sister, Mrs. Martin Miller, the sole surviving member of his family, who lives with Mrs. Aida. Friends and relatives journeyed to Demorestville from Toronto, Trenton, Hartamere, Madoc, Belleville and the surrounding district. A picnic lunch was enjoyed by all and after a few hours of visiting, the guests returned to their homes. Mr. Hannah, who is enjoying excellent health, continues to be very active. Still a crack shot with a rifle, he has shot more than 60 groundhogs this summer already.

Births — Mr. and Mrs. Ronald Brown (nee Marie McCoy), of Oshawa, are happy to announce the arrival of their daughter, Brenda Eileen, in Oshawa General Hospital, on August 8th, 1949.

To Mr. and Mrs. Jas. McKenna (nee Barbara Fenn), a son, Raymond, August 11, 1949, at Grace Hospital, Toronto.

15 YEARS AGO
August 28, 1938

The Madoc Junior Softball team eliminated Stittsville in the best of three series and are now waiting for a winner to be declared in Western Ontario, which they will meet in the Ontario finals. The second game of the series with Stittsville was played last Saturday in Stittsville with Madoc winning another close contest 9-7.

Next Tuesday morning schools throughout the province will reopen, which is a few days earlier than usual. At Madoc the Public School pupils will return to the old school, but before the end of the term will be moving into the new school, now under construction, probably about December 1st. The high school pupils will return to find their school redecorated, a large new playing field ready for use this fall, and a new agricultural building erected on the grounds.

Major John Foote, M. P. of Cobourg, is erecting a cottage on the south shore of Lower Moira Lake.

Work of paying the three-mile stretch of the Madoc-Foxboro road which was rebuilt during the past two years by the Ontario Department of Highways, was completed this week. Asphalt was used for the paving and the work was done by the H. J. McFarland Construction Company. In addition to the

highway some streets in the village have also been paved. Durham Street, from the southern outskirts of the village to Naylor's Garage, Livingstone Ave., from Durham Street to Rollins Street, Rollins Street from Livingstone Avenue to Seymour Street to Durham Street, and Church Street from Elgin Street to St. Lawrence Street.

A large number of friends and neighbours gathered in Huntingdon township hall, Ivanhoe, on Friday evening last, to honour Mr. and Mrs. Ambrose Lalonde, the former Helen Kerby. Mr. Reg Haggerty acted as chairman and the program opened with a round of community singing with Mrs. R. Haggerty at the piano. Rose Ann McAvoy contributed two songs and little Miss Lana LaChapelle, of Stirling, tap danced. Mrs. John McInroy gave a reading, followed by two songs given by Sharon Wickens. Mr. and Mrs. Lalonde were given seats of honour and a suitable address was read by Miss Jayne Gay and the presentation of a floor lamp and two matching lamps was made by Misses Agnes and Rita McAvoy. After Helen and Ambrose had expressed their thanks all joined in singing "For They are Jolly Good Fellows."

Wedding — A pretty summer wedding took place in the Protestant Chapel, RCAF Station, Winnipeg, Manitoba, at 2:30 p.m., on Saturday, August 30th, when Marnie Keith Murray, daughter of Mr. and Mrs. David Keith Murray, North Vancouver, B.C., was united in marriage to Flying Officer Douglas Wayne Tufts, of Madoc, son of Mr. and Mrs. Harry Whiteman Tufts. P. L. E. H. Christmas officiated at the ceremony.

During this week of August 10th to 17th there have been 10 motor vehicle collisions investigated. Damages were estimated at \$12,690.00 and six persons were injured. Twelve charges have been laid in connection. Sixty-nine general occurrences were received, some of which were: Prowlers reported, 2; Compassionate Messages to Deliver, 5; Domestic Complaints, 3; Civil Disputes, 3; Disturbances, 3.

One elopée from Kingston Psychiatric Hospital and one escapee from Pine Ridge Training School in Bowmanville were apprehended this week. They were turned over to officials from their respective places of disappearance.

On August 13th at approximately 7:40 p.m. a report of indiscriminate shooting was received. Resulting from this, our officer seized two shotguns from two male subjects. The investigation has been turned over to a conservation officer of the Ministry of Natural Resources.

Stoke Lake (2); and Steenburg Lake (2).

Due to the rise in meat prices throughout the province, special observations by officers of this detachment, cautious farmers and other interested persons are being kept on all suspicious vehicles in the farming area particularly. To date three trucks have been sighted in the Rawdon Township area where a calf which was valued at \$300. was reported stolen. Investigation into this matter continues.

Three thefts and three reports of wilful damage are under investigation also.

Liquor Violations: Minor Having Liquor, 1; Impaired Drivers, 3; Having Liquor, 5.

R. N. Dowe, Sergeant.

Note: Daytime use of headlights on all motorcycles significantly increases the visibility and drivers can positively identify motorcycles sooner and at greater distances.

CARDS OF THANKS
The family of the late Dr. S. R. (Bob) Beatty wish to express their sincere thanks and appreciation to all friends and relatives for expressions of sympathy, cards, floral tributes and donations to the Heart Foundation. Our very special thanks to Dr. Bruce Cronk, Dr. Totten, Dr. Derry, to the nurses in the I.C.U. for their wonderful care and attention. Thanks also to the members of Madoc I.O.O.F. and visiting members for the impressive Lodge Service to the Rev. D. Heard for comforting messages, to Mr. and Mrs. Angus MacKenzie for their comfort and kindness, and to all Madoc friends who served and contributed food during the days of our bereavement, in the loss of a loving husband, father and grandfather. We thank you all. Hazel, daughter Phyllis and family. 33-12

CARDS OF THANKS
A very sincere "thank you" to Mrs. Elmer Wood for the pantry shower she tendered in my honor at her home recently. Thanks also to my many friends and neighbours for their lovely and useful gifts. Sharon MacMillan. 33-1

The family of the late Sheldon Marr wish to express a sincere appreciation to their friends and relatives for the flowers, cards and acts of kindness during our recent bereavement. Special thanks to the Ministry of Transportation and Communications, Mr. and Mrs. Hart, Mrs. Quick and Mr. and Mrs. MacKenzie. 33-12

The family of the late John Laton wish to express their thanks to their relatives, friends and neighbours for expressions of sympathy, cards, letters and flowers. Special thanks to the Queensboro Women's Institute for the lunch. The Laton Family. 33-12

I would like to thank all my friends and neighbours for cards and gifts during my stay in the hospital and especially to the I.O.O.F. for the box of fruit. Doug Bailey. 33-12

To all who brightened my stay in the hospital with visits, cards, flowers, fruit and gifts, I wish to express my sincere appreciation. "Thank you" to the doctors and nurses for their competent care. Especially do I thank the kindly folk who helped at home in so many ways during my absence and afterwards. Luella Barker. 33-12

I wish to thank all who remembered me with cards, visits and flowers while a patient in Belleville Hospital and to Dr. Murphy, Dr. Parkin and nurses and staff on the fifth level. Cecil Boyle. 33-1

IN MEMORIAM
NICKLE — In loving memory of a dear husband and father, Albert Nickle, who passed away August 23rd, 1972. Today recalls the memory. Of a loved one gone to rest. And those who think of him today. Are those who loved him best. The flowers we lay upon his grave. May wither and decay. But the love for him who lies beneath. Will never fade away. Always remembered by wife Freda and family - Grant, Edith, Eileen, Doris, Gerald, Gardiner, John and Ross. 33-12

Council advised.
T. C. Barton, Reeve.
T. Burnside, Clerk - Treasurer.

to 17 at the Royal York Hotel, Toronto. The Federation represents the province's 33,000 elementary public school women teachers. Provincial President Lenore Graham of Windsor chaired some sessions and Margaret Hyndman, Q.C., of Toronto presided over the business sessions.

Attending from this area were: Miss Margaret Wright of Madoc Public School, and Miss Frances Prest of Stirling Public School. Well-known educator and writer Sybil Shack of Winnipeg, author of the recently published The Two-Thirds Minority: Women in Canadian Education, spoke to the delegates about her book and her personal experiences as a woman teacher and school principal. Delegates also discussed the Ontario government's green paper, Equal Opportunity for Women in Ontario, and the Federation's response to it. The Federation has told the government that they want action now and do not want to wait for further studies of matters (such as equal pay for work of equal value) that have already been adequately studied. The Federation has offered to assist the government in providing "consciousness-raising" sessions for teachers and school administrators on the subject of the promotion of women in education, sex stereotyping in textbooks and related matters.

Other matters discussed by the women teachers included collective bargaining and the right to strike, merit pay, and the employment of teacher aides.

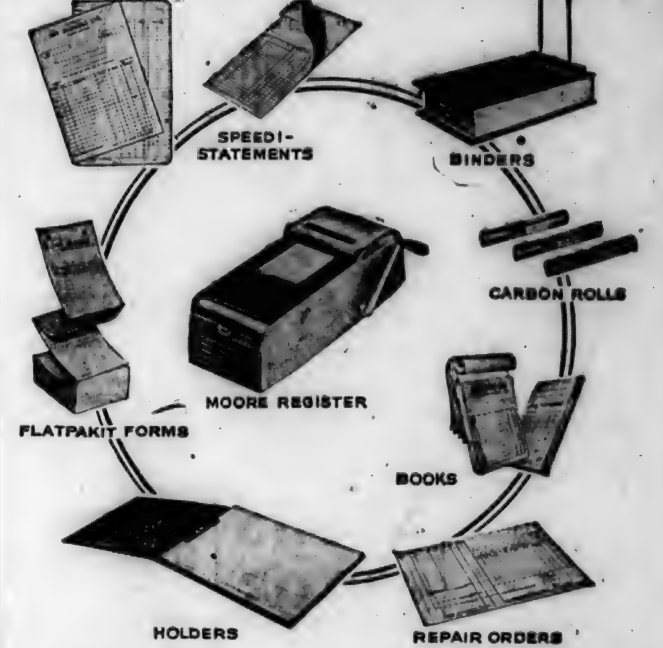

Frank C. Murray, General manager of C.J.S.Q. Radio Belleville - Trenton, Ontario, announces the following appointment: Mr. Peter Thompson has been promoted to the position of Program Director. Mr. Thompson will retain his title as Music Director.

Has added impetus to the rush for the outdoors and the beach. The Ontario Safety League warns against over-exposure to the sun. Hot weather is enervating and when combined with a severe sunburn it can turn an otherwise pleasant vacation into a serious illness. The victim frequently does not realize he is being over-exposed until it is too late. Then as the heat of the day declines the symptoms appear: exposed areas of the skin begin to burn painfully and, in extreme cases, there is dizziness and nausea, followed by chills.

Here is an effective treatment that is recommended by a Safety League staff member - from personal experience: Fill a bathtub with tepid water (body temperature) and dissolve a medium-size package of corn starch in it. A half hour soaking in this solution will usually dissipate body heat, relieving the intense burning, nausea and dizziness. This remedy was gratefully received from a medical doctor on a desperately mad midnight phone call and resulted in a restful night's sleep.

Funeral services were officiated by Leslie Dickerson. Pall bearers were Nelson Rose Jr., Duane Presley, Leonard Chapman, Keith Deshane, Carl Brant, and Arthur Rattie. Interment was in Riverview Cemetery, Napanee. Friends and relatives were from Griffith, Vennachar, R.R. 1, Cloyne, Eagle Lake, Whitty, Deseronto and Toronto.

Notice Of Public Hearing

In OTTAWA, commencing Monday, September 17, 1973 at 2:30 p.m., the Canadian Radio-Television Commission will hold a public hearing at the Holiday Inn (Commonwealth Room) to consider the following broadcasting matter:

AMENDMENT TO CABLE TELEVISION MADOC, ONT.

Hastings Cable Vision Ltd., P.O. Box 225, Madoc, Ont. Application to amend its cable television broadcasting licence for Madoc, Ont.

a) To distribute CJOH-TV-6, Kingston, Ont.
b) To delete the distribution of WHEN-TV, Syracuse, N.Y.

c) To make channel conversion changes.
Examination of application: 18 Durham Street South,
Madoc, Ont.

INFORMATION ON APPLICATIONS & HEARING

Right to Comment: Are you interested in an application mentioned in this notice? If so you can comment in an intervention to support, modify or oppose the application. To do so follow this procedure. Send a copy of your comments to the applicant by registered mail or personal delivery to be received on or before September 4, 1973. Send another copy to the CRTC to be received by this same date. Be sure to attach your postal or messenger receipt to the copy for the CRTC giving proof that the applicant has received his copy.

Viewing of documents: Anyone can view the applications coming to the Public Hearing at the office of the CRTC, 100 Metcalfe Street, Room 1607, Ottawa, Ont. or at the local address given in this notice for examination of applications.

Procedure at Hearings: Read the CRTC Rules of procedure to find out the rights and obligations of the parties to a hearing. Copies are available from Information Canada.

Information: For additional information on the applications at the hearing, please contact the CRTC in writing or by phone 613-996-2294 or 996-8700.

Monique Coupal,
Secretary

CRTC - Public Notice 1673-82

HE Is Coming To Marmora

A new and exciting project is the summer programme for a group of seventeen students from Oakville, Ontario. The group, aged 14 to 23, are part

of a new musical "celebration" called HE. Now HE is coming to Marmora for two performances at St. Andrew's United.

Originally written for and presented by Huntingdon College in Laurentian University, Sudbury, in February of this year, HE was rewritten and redesigned by the students of Melott of Oakville, in preparation for the present summer tour of Ontario.

Bruce, a fourth year Social Work student at Laurentian, wrote the "celebration", both dialogue and music, with some musical assistance by Hilde Maddock and Bruce Burton, both Oakville students. He also produced and directed the present production.

Having already received standing ovations at Oakville and Mississauga, HE moves to Marmora, and then returns for final performance in Oakville in early September. Already plans are well underway for the proposed national tour by the cast for next summer.

The cast do not charge for their performances, and support themselves solely through a freewill offering which is taken at the end of each performance, or donated honorariums from the host churches.

The music of HE has something for all tastes. Styles stretch from folk to country and western, from blues to rock, from choral work to negro spiritual.

This truly unique experience in "celebration" will be at St. Andrew's United, Marmora, Saturday, August 25 at 8:15 p.m. and repeated at the morning service August 26 at 10:30 a.m.

ELDORADO

Mrs. C. D. McCann of Hastings Manor spent a few days last week with Mr. and Mrs. Melvin Johnson.

Mrs. Hattie Williamson has returned home from the Belleville General Hospital.

Rev. and Mrs. D. Dillabough of Madoc have taken ownership of the residence of Mrs. C. D. McCann.

Mr. and Mrs. Herman Roy and daughter of Peterboro were weekend visitors of Mr. and Mrs. Jerry Morrison.

Mrs. Bruce Duffin and Deanne were weekend visitors of Mr. and Mrs. Gerald Blackburn.

Mr. and Mrs. Melvin Johnson attended the McCann - Patterson wedding at Belleville on Saturday.

Mrs. Downey of Crookston is spending a few days with Mr. and Mrs. Glenn Boyle.

Mrs. Ivan Sine is spending a few days at Renfrew with Mr. and Mrs. Brian McBride and Mark and new baby boy.

Mr. and Mrs. Clayton McCann of Peterboro and Mr. and Mrs. Wendell Empey of Belleville were Saturday evening visitors of Mr. and Mrs. Harley Blackburn and family.

Mr. and Mrs. John Wicken of Madoc were Sunday visitors of Mr. and Mrs. Garry Davis and family.

Mr. Jack Wilson and his sister Eva Davidson of Bannockburn were Sunday visitors of Mr. and Mrs. Fred Shaw.

Illegal Connections Investigated

Several cable television companies report they are actively pursuing theft of their services, through illegal connections to cables. In Ottawa, Ottawa Cablevision and Skyline Cablevision, the city's only two licensed cable operators, both say they are currently investigating suspected connections and intend to prosecute.

In Edmonton, Ed Polanski, president of QCTV, says some homes are under investigation and he intends to prosecute any offenders. James Shaw, president of Capital Cable T.V. Ltd. says his company's computer print-out of all connections in the system can be used to detect illegal connections.

In Oshawa and Montreal, sentences followed recent convictions for theft of services valued at \$50 or less. One case resulted in a 24-month suspended sentence. The other led to a \$50 fine or 15 days in jail.

DAVIS TO DEDICATE CO-OP'S NEW HEAD OFFICE

The new head office of United Co-operatives of Ontario will be officially dedicated by Ontario's Premier, the Hon. William G. Davis on September 6th.

Involved in the ceremony will be UCO's elected president, Tyson Langman, of Hawkestone; past-president Bruce McCutcheon, of Proton, near Dundalk; and general manager Julian Smith, of Mississauga.

Representatives from the three levels of government will be on hand for the ceremonies, as well as the co-operative's

own elected officials from branches and local co-operatives across the province. Leaders of all of Ontario's major farm organizations and of major co-operative organizations throughout North America are also expected to be in attendance.

The nine storey, \$2 1/2 million steel and concrete structure, located at Highway 10 and Burnhamthorpe Road in Mississauga on the western outskirts of Toronto, houses some 300 central office staff of UCO, the largest farm and urban supply co-operative in Ontario.

THIS WEEK
from Ottawa

The Federal Government has undertaken to deal with rising food prices and to lessen their effects on people with fixed incomes.

Prime Minister Trudeau announced a three-point program, assuring Canadians "there is no shortage of food in Canada, nor will any be allowed to develop".

- temporary controls on beef and pork exports
- old age pensions and income supplement payments will increase quarterly rather than annually — a pensioner now receiving \$100 monthly will receive \$105.30 on October 1
- strengthening of the Food Prices Review Board and giving it power to investigate individual food price increases.

Comments on the government's measures vary:

- Thomas G. Bolton, president of Dominion Stores — export controls should provide relief for Canadian consumers "if administered effectively"

SAM, DOUG, WALTER and BRIAN DANFORD
MADOC — ONTARIO

Food prices are a favorite topic of discussion, especially during recent weeks, and food retailers sometimes are criticized when prices rise, regardless of the reason for the increase. Grocers, cattle dealers, processors, transportation companies, and others who have some responsibility for food prices, are less visible to consumers and thus avoid the criticism. Such factors as weather conditions, which are beyond man's control but which can influence prices, are often overlooked.

This article, which will appear weekly in the Review, under the heading, "State of the Market," is aimed primarily at providing consumers with facts about food prices.

THE BEEF SITUATION — During recent weeks carcass beef costs have risen considerably and they may go even higher. The main reasons for these record high costs are:

1. The unsettled rail strike situation is seriously affecting the supply of cattle coming from the west into the Ontario market; thus creating a shortage and increased costs on available cattle;
2. The United States' freeze on beef prices has created serious shortages at the packer level. Many U.S. buyers are purchasing large quantities of dressed cattle in our trading area for shipment south of the border. They are paying upwards of \$1.00 per pound F.O.B. Toronto. This of course, directly affects our dressed cattle costs.

PORK — Because of the increased pressure on beef, people are turning to pork. The shortage of hogs coming to market has contributed to the very dramatic price increase on this product. Increased hog slaughtering is anticipated in the next few weeks, which will cause a levelling off of prices, but still at high levels.

POULTRY — The high cost of beef and pork is keeping pressure on poultry, but the demand remains strong. Supplies are good.

EGGS — Extra large eggs have been in short supply the last few weeks because it cost

the producer 10 per dozen more to produce a dozen extra large than a dozen large. According to the egg board newspaper pricing, to which the retailer must adhere, they can only get 3c per dozen more. Producers have been cutting back on protein feed, and, as a result, producing only large eggs. The situation should adjust itself within the next couple of weeks.

TOMATO PRODUCTS — (Ketchup and Canned Tomatoes) At this point, the tomato crop looks excellent. The end result, of course, depends on any adverse weather conditions. However, the contrast price of tomatoes paid by the canners to the growers is up slightly over last year. This, coupled with higher replacement costs of cans, glass, cartons, labels and labor, indicate advanced costs. One of the major packers of ketchup has already announced cost increases on new pack shipments made from August 31st.

WILDLIFE BEING TAKEN OUT OF SEASON

If a duck is going to survive in the wild these days, it had better know how to "duck" the shots.

Wildlife authorities report a fear that the high prices of domestic meat may be resulting in a poaching spree in coming weeks as the hunt for cheaper meat takes on furtive reality in the outdoors.

Ministry of Natural Resources officials at Tweed and Napanee say they already have mobilized patrols in rural areas following reports of illegal duck-hunting. Also being sought are signs of illegal deer kills.

Complaints of illegal duck kills have been reported to both ministry offices in the district in recent days. The duck-hunting season doesn't open until September 29.

A ministry official at the Tweed office expressed an acute sense of anxiety. The fact that poaching of small game like ducks has started so early may not fair well for deer. In fact, in the immediate coming weeks

as the weather cools and the brush thins, big-game poaching activity may be stepped up. Ministry officials feel that this fall the deer are going to be heavily pressured by poachers.

Poachers will deer as far away as Ottawa and Toronto, but the going price for poached venison isn't known. Conservation patrols enforce the provinces Game & Fish Act, which provides a maximum \$1,000 and up to six months in jail for poaching. Conviction can also bring seizure of any vehicle involved.

More officers will be drafted to surveillance work in coming weeks. In the Tweed district, a helicopter will be called in to augment ground patrol. But, conservation officers emphasize the need for public co-operation in checking poaching over so wide an area. Any persons with information which may lead to the apprehension of poachers are being asked to phone the ministry offices at Tweed or Napanee.

DAMAGE EXTENSIVE IN CHAIN-REACTION CRASH

A three-car chain reaction crash early Saturday morning, August 25th, on County Road 12 just south of the four corners at Cooper resulted in damages estimated at \$2600.

It was reported that the first car, a 1973 Mustang, was northbound at about 1:00 a.m. when the driver, 20-year-old Brian Gordon Rollins of R.R. 3, Madoc, noticed a dog on the roadway and swerved to miss it. He subsequently lost control of the car and it went into the west ditch, where it came to rest after splitting a hydro pole its full length. Mr. Rollins, who was alone at the time, received only minor injuries. Damages to the Mustang amounted to \$1200.

While the first car was still in the ditch, the second car, a northbound 1973 Plymouth, driven by Eric Clifford Bailey, 18, also of R.R. 3, Madoc, came upon the accident. Mr. Bailey stopped the car on the road and went into the ditch on foot to offer assistance to Mr. Rollins, inadvertently leaving the driver's door open in his rush. After helping Mr. Rollins into the Plymouth on the roadway, Mr. Bailey returned to the car in

the ditch. At this time, the third car came over the crest of the hill from the north and, in attempting to avoid hitting the car on the road, the driver, 30-year-old Robert Harold McQuigge, of R.R. 2, Madoc, lost control of the 1965 Meteor and took off the door of the Bailey car before taking three guide posts off the roadside and putting the car into the ditch, where it rolled on its side.

An estimated \$400 damages resulted to the McQuigge car and \$800 to the Bailey car. Const. Don Creelman of the Madoc Detachment, Ontario Provincial Police investigated.

QUEENSBORO ROAD TO BE PAVED

Clarke T. Rollins, M.P.P., Hastings announced that he has been advised by Mr. B. F. Pinder, Hastings County Engineer, that the Hastings County Roads and Bridges Committee have just recently awarded an asphalt paving contract to H. J. McFarland Construction Company Limited, in the amount of \$75,117.50 for the paving of the Queensboro Road.

HUNTINGDON TOWNSHIP COUNCIL MINUTES

All members of Huntingdon Township Council were present at a regular meeting of council held on August 21st, 1973, at the Township Hall.

The Minutes of a meeting of Council held on July 12th, 1973, had been circulated by mail.

It was moved by Harold Thompson and seconded by Arthur Miller, that minutes of a meeting held on July 12th, 1973, be adopted as circulated, carried.

Applications to the Hastings County Land Division Committee were presented for council consideration.

Arthur Miller - Ted Pollock that Council recommend consent be given to the following applications to the Hastings County Land Division Committee: No. B2733 Trustees of Bethesda Methodist Church, P. Lot 9, Conc. 9, Part 3, Plan No. 2146672; No. B2973 Carl Reynolds, Part Lot 7, Conc. 13; No. B2983 Carl Reynolds, Part Lot 7, Conc. 13; No. B2993 Carl Reynolds, Part Lot 7, Conc. 13; No. B3133 Lorne Gunning, P. Lot 16, Conc. 10, Part 2; Ref. Plan No. 2146681; No. B3143 D. E. & J. W. Bateman, P. Lot 15, Conc. 10, Part 2; Ref. Plan No. 2146680; No. B3153 D. E. & J. W. Bateman, P. Lot 15, Conc. 10, Part 2.

Lot 1, Conc. 9, Part 2, Ref. Plan No. 2146662.

Mr. Pat Bradley, Township Building Inspector, submitted a report to council of building permits issued to date.

Five applications were received and opened for the position of road department employee.

Mr. Elvin Holland presented Road Voucher No. 7 for approval of payment.

Harold Thompson - Glenn Franks - that Road Voucher No. 7 in the amount of \$5,758.24 be approved for payment, carried.

Mr. Ken Thompson, Township Road Superintendent, reported to council.

Harold Thompson - Ted Pollock - that the Township of Huntingdon deed for the sum of \$100 a parcel of land consisting of 0.12 acres of land to the County of Hastings. The parcel being in Lot 12, Concession 3, Township of Huntingdon, carried.

Arthur Miller - Glenn Franks - that council adjourn at 9:00 p.m. Wednesday, August 22nd, 1973, for a special meeting. The next regular meeting of council to be held September 13th, 1973, at 8:00 p.m. carried.

Dorothy F. Thompson - Clerk-Treasurer.

Mr. & Mrs. David Asseltine are pictured following their marriage at Melrose United Church on Saturday, July 14th, 1973. Reverend Morrison performed the ceremony at 3:00 p.m. The bride, Susan, is a daughter of Mr. and Mrs. Raymond Mortimore of Shannonsville and the groom is the eldest son of Mr. and Mrs. Stan Asseltine of Madoc, Ontario.

WARNING TO MOTORISTS SCHOOL OPENS TUESDAY

Next week, hundreds of children in the Madoc area will be going back to school. Mothers will heave a sigh of relief. Many of those children will be attending schools other than the ones they left last year, necessitating new routes through unfamiliar streets. New teachers, new classrooms, new friends will add to the excitement of their youthful exuberance. Many others will be journeying to school for the first time. They have yet to be acquainted with the Ontario Safety League's Elmer the Safety Elephant and are, perhaps, unaware of what is expected of them as they join the lines of tiny commuters.

Motorists are reminded to watch for the unexpected where children are concerned. The majority of accidents involving children are caused by the child running onto the road. Take extra care when approaching a school zone slow down. At the school crossings on Elgin Street, yield right of way to pedestrians in the crosswalk. Remember, it is dangerous and unlawful to pass a vehicle within 100 feet of a pedestrian crosswalk.

Watch those school buses! Don't overtake a school bus which is stopped on the highway and has its red signal lights flashing. It is receiving or discharging passengers. If you meet a school bus picking up or discharging passengers on a highway other than one with a median strip, you must stop until the bus resumes motion or

its signal lights are no longer operating. Almost half of the pedestrians injured last year in Ontario were in the 14-and-under age group. 3,767 children were injured, and another 108 were killed on our roads and highways. The careful and watchful driver can help reduce this senseless toll.

Last September the students in this area returned to school safely - with no accidents. Let's see if we can't keep up with our record.

KIWANIS CIRCUS THIS FRIDAY NIGHT

On Friday, August 31st, the sounds of animals, gaily painted trucks and working men busily erecting tents of the Royal Bros. Circus will echo forth from the Ball Park as the 1973 edition of the show presents two performances of big top magic in Madoc under the auspices of the Kiwanis Club.

Designed strictly for family audiences and billed as an old-fashioned circus, Royal Bros. will present a variety of 15 acts to please the kids and amuse the adults. Performing Military Ponies from the Frazier Ranch in Oklahoma, Michael's Mens of Mitts and the antics of Monkey Moonshines, are all

C.H.S.S. PREPARED FOR OPENING DAY

(By W. G. Beevor, Principal)
Once again Centre Hastings Secondary School will be opening its doors for school opening on Tuesday, September 4th. There will be an enrolment of approximately 1175 students. This figure is down about 75 from last year. There will be five new teachers:

Mrs. Faye Austin who is from Port Dover, and will be teaching Home Economics.

Mr. James Berry, a graduate from Queen's University teaching Science.

Mrs. Taulikki Bence-Bruckler, a from Renfrew, will be teaching art.

Mr. Ronald Hotchkiss, returning to Centre Hastings Secondary School after a one year leave of absence to further his education, will be teaching history.

Mrs. Marjorie McKeough, returning after a one year leave of absence, teaching languages.

Mr. David Steel, a graduate of Ontario College of Education, teaching mathematics.

Each student registered has been sent a letter outlining the courses chosen, the procedures for opening day, and a Parents Information Bulletin.

It would be appreciated if any student who is registered at Centre Hastings Secondary School, and not returning would call the school at 473-4251 at his or her convenience.

Moira River Conservation Authority Executive Committee Meets

A meeting of the Executive Committee of the Moira River Conservation Authority was held on August 2, 1973.

Present besides the regular members were: The Resources Manager, The Senior Supervisor, SWEEP Program and the Secretary-Treasurer.

It was moved by H. R. Frink, and seconded by J. Spry - that, the minutes of a meeting held on July 5, 1973 be adopted as read, carried.

J. Spry - H. Varty - that, D. Harvey, H. Thompson and the Resources Manager be authorized to represent the Moira River Conservation Authority at a Meeting in Marysville on August 3, 1973.

H. Thompson - K. Smith - that, H. R. Frink and J. Spry be authorized to attend the 1973 Ontario Conservation Authorities Tour from September 24-28, 1973, carried.

H. Varty - J. Spry - that, a letter from the Authority Solicitor concerning the legal procedures to acquire a right-of-way across private land on the road to Lingham Lake be received and tabled.

K. Smith - H. R. Frink - that, a copy of an official appraisal of properties required for the West Riverbank Park be sent to Belleville City Manager, carried.

S. Meeks - H. R. Frink - that, this Executive recommends, subject to City of Belleville approval, an official appraisal of property referred to in Belleville City Managers letter dated July 19, 1973, carried.

J. Spry - S. Meeks - that, the Secretary-Treasurer be instructed to notify the Clerk-Treasurer of Kaladar Township that the possibility of opening a camping area at Deerock Lake is under consideration, carried.

The Advisory Board, Chairman who were present reported briefly on the activities of their respective boards.

The Chairman of the Forest Advisory Board reported that the acquisition of the Cassidy property, Hungerford Township was proceeding.

The Conservation Areas Board Chairman reported on a recent tour of Conservation Areas with the Resources Manager. He noted particularly a lack of adequate signs on Authority property and a serious shortage of fire fighting equipment in camp and picnic areas. A meeting of the Board will be held before the next Executive Meeting.

The Information and Education Board Chairman commented on the Rose Festival Exhibit and the upcoming exhibit at the Quinte Exhibition, the continuing Sunday broadcasts of Authority activities on the "Our Valley" program to which several SWEEP students have contributed recently. He also discussed the organization of a conducted conservation tour.

TESTIMONIAL FOR FORMER MP LEE GRILLS

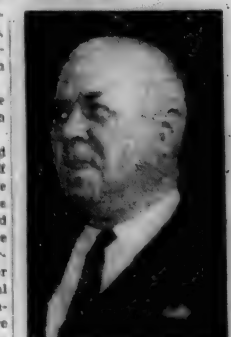

A testimonial banquet is being organized for Lee Grills, the Conservative MP who represented the Belleville area in Ottawa for nearly 15 years.

The event will be held at the Legion Hall in Belleville, on September 15th.

Mr. Grills was first elected for the old federal riding of South Hastings in 1957. He continued as MP when the riding was altered and extended through Hastings County as the constituency of Hastings. During his parliamentary career he was involved in six general elections - losing one campaign - to eventually retire undefeated. He resigned from federal politics last year before the 1972 election and was succeeded by Conservative Jack Ellis as MP Hastings.

Dorothy Howell, head of the committee organizing next month's testimonial, says 500 \$5 tickets were printed for the banquet and recently went on sale.

The tickets have sold readily, says Mrs. Howell. So much so, there now is some concern

LEE GRILLS

that close friends or political workers associated with Mr. Grills through the years could possibly find tickets unavailable for the event.

Any such persons wishing to attend the event should contact the committee, she said.

The banquet will see testimonials from people who knew Mr. Grills in various walks of life.

BANTAM SERIES TIED

The Madoc Legion Bantam team travelled to Cayuga last Saturday for the second game of the O.R.S.A. semi-finals.

While leading with a score of 10-3 in the sixth inning, the team lost the game by walking off the field in protest of the officiating and the conduct of the Cayuga management.

The Madoc boys are to be congratulated on their conduct.

They all kept their tempers in the face of trying circumstances.

They will be playing the third and deciding game this Sunday in Claremont at 2:00 p.m. This game will be played on a neutral field with neutral umpires.

The team needs your support and encouragement, so, come on, fans, give them a boost.

ATOMS WIN FIRST GAME IN FINALS

In Ayr, last Sunday afternoon the local Atoms defeated the Ayr squad.

Randy Gray allowed only 2 hits and walked one, while he struck out 15 batters. The pitchers from Ayr gave up 8 hits and walked 15.

At bat, Billy Bateman had 3 singles, and Timmy Toms and Michael Franks each hit a single.

For Ayr, Parkin singled while Pettigrew slammed a home run in the 7th inning to break Gray's shut out bid.

Sunday's line-up was as follows:

lowers: pitcher, Randy Gray; catcher, Billy Bateman; first base, Jeff Nickle; second base, Paul Lowry; third base, Timmy Toms; Short Stop, Michael Franks; Fielders, Dean Harris, Doug Reid, Darryl Love and Timmy Willemssen.

Line Score:

1 2 3 4 5 6 7 Tl.
Talc Kings 4 0 6 2 3 0 15
Ayr 0 0 0 0 0 1 1

The next game will be Sunday, September 16th at 2 o'clock in Madoc. If the local boys win, they will be the O.R.S.A. Atom A champions for Ontario.

COOPER LADIES IN ONTARIO FINALS

The Cooper Ladies Softball team has made it all the way to the Ontario finals! However, people will be reading about the "Eldorado" ladies from now on. Here's the reason: In order to be eligible to enter the O.R.S.A. playoffs there are certain requirements that must be met. One of the mileage specifications makes it necessary that the team be from Eldorado - hence the new name.

So, the "Eldorado" ladies will be travelling 210 miles to a place called Ayr for the first game on September 8th or 9th. The date will be verified in next week's edition. Then the next weekend there will be a return match at the Madoc.

Ball Park. A bus will be going from Madoc to Ayr for the opening game. Tickets are available at \$5.00 each from Richard Chapman or any member of the team.

The encouragement of fans from home could make the difference whether or not these hard working girls bring another title to this area. Your support is needed.

The Cooper ladies have enjoyed two sponsorships this year; namely, Fred and Colin Myatt of Surge Sales Service, and Don Hodgins of Madoc Farm and Garden Supply (a branch of Tweed Feed Mill Ltd.). Mr. Hodgins bought new ball pants for the entire team this year.

KIWANIS TO SPONSOR SCOUTING IN MADOC

It was announced this week that the Madoc Kiwanis Club is sponsoring the Boy Scouts of Canada, in Madoc starting in September. They are planning on having one Cub Pack for boys aged eleven to fourteen

sons to join the Boy Scouts of Canada, or would like to learn more about what Scouting is all about, are asked to bring their son or sons to this registration meeting.

of age and one Scout Troop for boys ages eleven to fourteen years.

A Registration Night is planned for Wednesday, September 12th from 7:00 p.m. to 9:00 p.m. at the Kiwanis Centre.

Parents who would like their

sons to join the Boy Scouts of Canada, or would like to learn more about what Scouting is all about, are asked to bring their son or sons to this registration meeting.

of age and one Scout Troop for boys ages eleven to fourteen years.

**I'M BIRD WATCHING
IN LONDON TOWN**

By Bill Smiley

Well chaps, we haven't been to The Tower yet, nor have we seen the Changing of the Guards, and my wife was looking out the wrong side of the bus when we went past Buckingham Palace. But we did have breakfast in bed on Sunday morning and watched a dandy American western on TV, so you might say we're having a swinging time in London town.

This still has to be one of the most exciting cities in the world, despite its basic ugliness. I rather expected to be disappointed. I remembered war-time London: hub of the empire; streets alive with young men in the uniforms of fifty different forms; pubs jammed; nights electrifying with promises despite blackout and air raids; great theatre despite the bombing.

It's not the same, of course, but it's still tremendously alive, at least in the downtown core. I know there are thousands of acres of blackness and ugliness and even aqualor outside that, but the old heart of the city is still thumping away, as strong as ever.

Despite all her premonitions of disaster, I think I'm going to have to use dynamite to get my wife out of here and off on our travels.

Her first impression was one of horror, as we drove in from the airport. "I've never seen such a dirty place!" And it's pretty drab in the suburban rows and rows of grimy, grey housing, interspersed by grubby little shops and pizza joints. I couldn't blame her. No woman is ecstatic about anything after 4,000 miles of travel and about twenty-six hours without sleep. I wasn't exactly feeling like Tarzan myself.

But she's almost fallen in love with London. She wouldn't want to live here. Nobody in his right mind would. But I could spend a month out of each year in this ancient pile of stones and never tire of it.

London has something for everyone, and perhaps that's why everyone and his wife and kids seem to be here. From everywhere. Walk along the street and you'll hear ten different tongues. Go into a restaurant and the only English you'll hear is from the waiter, and you won't understand him until the third try, because he's speaking West Indian English.

If your kick is history, it's right here, whispering old tales and old names. Hampton Court, where Henry VIII pressured Sir Thomas More to help him get a divorce so that Henry could shack up, legally, with Anne Boleyn. The Tower, where the same Sir Thomas had his head looped off for refusing to help. And a hundred others.

Supposing you like visiting graveyards and such. There are nine great museums. There are the homes of people like Charles Dickens and Samuel Johnson. And there's the greatest of all, Westminster Abbey, where you can tread on the tombs of

some of the greatest names in British history and literature. I couldn't be bothered, myself, but every man to his own thing.

Maybe you are a bird-watcher. Well, I am here to tell you that there is no greater bird-watching sanctuary in the world than London. There are birds here of every race, colour and creed.

I think I know now why Englishmen refer to young ladies as "birds". It's because the girls chatter constantly, in a very pleasing manner.

If you're a boomer, this is heaven. There are pubs of every shape, size and sound and there are enough of them to keep every man, woman and child in Canada drinking around the clock.

Speaking of the clock and boomers, keep an eye on it. If you decide you need a snort at four p.m., and head for the pubs, you'll find yourself frantically rattling locked doors. They were open at noon, are now closed, and won't be open again until 5:30.

But all is not lost. Just go in to that department store, go to the spirits department, and the kindly lady clerk will sell you anything from a cold three-pack of ale to an expensive bottle of giggle, while extolling today's special on Beefeater gin. What a crazy country.

If you happen to be a theatre buff, which I am, among other things, you have arrived at the party gates. From our hotel, we can throw a stone in almost any direction and hit a live theatre. We've hit a different one four nights in a row. Last night Paul Scofield in a satire, the night before Lauren Bacall in Applause (a great musical), the night before Kenneth More in a comedy. We are just now debating whether we should go to see Wendy Hiller as Queen Mary or Sir Alec Guinness in a new comedy, Ho-Hum.

Then there are about five big musicals. The theatre scene here makes New York look sick, which it is, and makes Toronto look like Hayfork Centre.

But perhaps the best entertainment in London is plain people-watching. The place is literally crawling with tourists and they come in every shape, size, colour and accent.

There's too much in London for one column, so brace yourself for another. But you must admit, gentle reader, that I have been faithful. Here I am, sitting in a hotel room, pecking away on a rented typewriter when I could be out in that lovely rain.

However, the pubs are about to open, and there's bird-watching to be done, so I'll see you next week.

Queensboro, Ontario

In failing health for the past several years, Mrs. Lena Myrtle Roushorne passed away at the residence of her daughter, Mrs. L. (Bessie) Summers, Queensboro, on Friday morning, August 24th, 1973.

Born in Madoc Township, she was the daughter of the late Mr. and Mrs. Harry Diamond and had lived in the Queensboro area her entire lifetime. She was a member of

St. Andrew's United Church
and a former member of Queensboro L.O.B.A.

Mrs. Roushorne is survived by her husband, William Henry Roushorne, four daughters, Mrs. L. (Bessie) Summers, Queensboro; Mrs. F. (Helen) Holgate, Cannifton; Mrs. P. (Dorothy) Koolstra, Stirling and Mrs. E. (Linda) Graham of Cooper; two sons; William Roushorne, Queensboro and John James Roushorne of Trenton. There are 17 grandchildren and 8

great grandchildren. She was predeceased by one brother, William Diamond.

The funeral was held on Saturday afternoon, August 25th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. W. M. Sedgwick. Interment took place in Greenwood Cemetery, Queensboro.

Bearers were: Harold Tokley, Kenneth Cassidy, Roy Rollins, Raymond Declair, Joseph Latondress and Arthur Alexander.

CHATTERTON REUNION

The Chatterton Reunion was held Sunday, August 19th at Zwick's Island, Belleville with 56 attending.

The Chatterton family is not as large as formerly, being 13 of a family to Joseph Chatterton and Elizabeth Bandy. The Bandy family were asked to join with the Chattertons at the family picnic. They came from Cobourg, Kingston, Belleville, Madoc, Highland Grove, Coe Hill, Gunter, Frankford, Colingwood, Toronto, Stirling, Corbyville, Orono, Brantford.

60 YEARS AGO

August 29, 1913

At the 1912 Department Examinations Walter Rupert, a pupil of Madoc High School, in competition with the whole Province of Ontario, won a McMaster Scholarship in Mathematics. This year Carl Caskey duplicates this success by winning a McMaster Scholarship in the same subject. The Review extends a hearty congratulations to Carl.

Before Dr. Harper the cause of the death of Groff Jones at Hazards' Corners was investigated Friday evening, the jury reporting that he met his death as a result of his clothing being ignited from flames in the barn of Mr. Robert Broad. There was no evidence of negligence on the part of anyone for the fatality, which was cause of accident. No blame was attached to anyone.

A shocking accident took place at Kalaras, a depot on the Canadian Pacific Railway, a few miles from Tweed, when the little three-year-old daughter of the agent, Mr. Spencer, was instantly killed, and a brother of five years had a very narrow escape. The two little tots were playing with a toy wagon on the platform of the station just as a freight train, began to move out of the station. The little wagon ran down the slight incline at one end of the platform, the wheel struck some small obstacle and the little girl was thrown on to the tracks, under the wheels of the train. Mr. Spencer, the conductor, and one other man were standing on the platform at the time and saw the accident but were powerless to save the little girl. The father made a mad rush for the spot and was successful in rescuing the little boy.

In the last issue of the Tweed Advocate we noticed a good many unjust and uncalled for jibes at Mr. Davy, a player on the Madoc baseball team. We, who know Mr. Davy, are at a loss to understand the why and the whereabouts of these jibes. Mr. Davy is a very gentlemanly young man, a very clever pupil of Madoc High School and a good sport. He entered Madoc High School in January of this year taking up Upper School work. At the recent examinations Mr. Davy passed in every subject, a feat not duplicated by any pupil of Tweed High School, whose constituency the Tweed Advocate represents. The Review congratulates Mr. Davy on his success as a student at the recent Departmental Examinations.

On Saturday afternoon last the baseball players of Cottage Cove met at the diamond at the usual hour and after the preliminary warm-up started to show the spectators what real baseball is and each team with the intention of proving to the other how much more efficient that team was. It is hardly necessary to explain to our readers that the Useless Nine were on the spot and soon showed the Lesky Roofs that, where baseball was concerned they weren't even in on it. Well, the

game — the Useless 9 went to bat and started to make things interesting. A Leslie struck a home run amidst applause from the gallery. The second man to bat, A. Ketcheson, hit a nice little fly but was caught out; Mr. Saylor who was up next made a home run, but due to influence brought to bear upon the umpire by the second baseman was declared to have forfeited the run by not touching second base. Two out! Space and time will not permit us to go into further details of this sad, sad story but even the "One Other had to admit that the Useless Nine had it all over them like a tent.

Wedding — A very pretty wedding was solemnized by Rev. Mr. E. Farnsworth at the home of Mr. and Mrs. J. Archibald of Cannifton on August 22nd, when their youngest daughter Helen Gladys became the bride of Harry Percival, eldest son of Mr. and Mrs. H. Twiddy, of Thurlow.

24 YEARS AGO

August 25, 1949

Yesterday afternoon fishermen at Moira Lake had a field day when five beautiful specimens of lunge were taken. The largest, which was caught by Howard Deavor, of Altona, Pa., weighed 27 pounds and was over 48 inches long. Mrs. Deavor also had some excitement when she caught a smaller one, not weighed. Ted Kolavic, of Alliquippa, Pa., caught more than the lion's share with two, the largest of which weighed 15 pounds after being dressed and the other one 13 pounds. Gordon Pigen, the only Madocor, to report one, landed a 13-pounder.

A. B. Neill, of Glencoe, who was among the 21 persons aboard the RCAF plane, who lost their lives when the plane crashed in Manitoba Sunday evening, is known here, being an associate and friend of Jim Keller's for a number of years. They were both with the Department of Transport. Mr. Neill, who is the son of the late Rev. John Neill, besides his wife leaves four children. He has spent two years in the Arctic and was enroute home on leave, when the accident occurred.

Lightning struck beside Mrs. Alfred Scott and knocked her down while she was working in the summer kitchen of her home during a storm on Wednesday of last week. Neither her daughter, Bernice, nor a friend, who had come to Norwood to spend the day, were hurt. Mrs. Scott's friend was at the sink in the same room with the victim but didn't feel any effects of the exploding electric charge. Mrs. Scott is suffering from shock.

The year 1949 will probably go down in history as a record year for navigation on the Trent waterway system. More beautiful yachts have passed through Campbellford this summer than in any previous year. Most of these craft are American visitors from Cleveland, Erie and other widely separated points. As many as 12 in one day have been seen passing

through the town. The visitors are loud in their praise of the scenic beauty of the Trent system.

One of the interesting bits of information of the month comes from the American National Safety Council, which reports that contrary to popular belief, it is not the drunken driver, who is the greatest menace on the highway, but the plain, ordinary careless driver. Of the many thousands of automobile traffic fatalities in the United States, less than two per cent were caused by drunken drivers, the Safety Council reports. The completely sober driver who failed to exercise proper care was by far more dangerous.

Announcement — Mr. and Mrs. Fred Fleming announce the engagement of their daughter, Freda Fay, to Mr. Jack Burton Dunham, son of Mr. and Mrs. Charles Dunham, Harold. The wedding to take place September 10.

Wedding — Mr. and Mrs. Frank Daece, Madoc, wish to announce the marriage of their daughter, Clarice Isabel, to Edward T. Duval, son of Mr. and Mrs. R. E. Duval, of St. Petersburg, Florida, by the Very Rev. Peter Bryce, D.D., L.L.D., at the Metropolitan Church, Toronto, on Monday, August 22nd, 1949.

On Wednesday, August 10th, at 3:30 p.m., the wedding took place at the home of Mr. and Mrs. Daniel M. Robinson, Madoc, of their daughter, Jean Eleanor, to Mr. George Clinton Chapman, of Frankford. The ceremony was performed by Rev. Alfred Poulter, of Madoc.

At Westport Roman Catholic Church, on Thursday, August 11th, the marriage of Catherine, daughter of Mr. and Mrs. John Murphy, of Westport, to James Lahey, son of Mr. and Mrs. Thomas Lahey, of Madoc, was solemnized by the Reverend Father Cauley.

15 YEARS AGO

September 4, 1958

Two men, both aged 32 years, were admitted to Belleville General Hospital early Saturday morning with injuries sustained in a highway accident. Allen Lafur and Adolph LeClair, both residents at 12 Maple Road in Cardiff, are in satisfactory condition. Lafur has a fractured arm and bruises, while his companion suffered head and chest injuries. The accident occurred when the truck in which they were travelling went out of control and struck the overhead railroad bridge at Moira Lake. Campers at the lake who heard the crash and the men calling for help, rushed to the scene and rendered first aid. The O.P.P. were notified and the men taken to Belleville by Bush's Ambulance. Dr. George Mullin attended the men at the scene of the accident, while Dr. H. Williamson is treating them at the hospital.

As usual, at this time of the year, the Maskinonge in Moira Lake are starting to strike. Several lunge have been landed during the past few days, the largest of which was caught by Mr. L. J. Garner, of Mercer, P.A. This fish measured 52 inches in length and weighed 31 1/4 pounds. Another big fellow was hooked by Mrs. Edwin Conasby, of Alliquippa, P.A. This one measured 51 1/2 inches and weighed 31 1/4 pounds. The fish which won the Kiwanis contest last year measured 51 inches and weighed 34 lbs. It was caught by Mel Schultz, of the O.P.P.

On Saturday evening, August 16th, relatives and friends of Hazzard's and Remington communities gathered at the home of Mr. and Mrs. George Moorcroft, Madoc, to honour their youngest son, Monte and his bride, Mr. Allen Ketcheson performed the duties of chairman in a capable manner and Mr. Wallace Pitt presented the young couple with a turquoise hostess chair and maroon satin pillow on behalf of the two communities. On behalf of Sue, Monte voiced sincere appreciation for the gifts, reminiscing a few instances of each community and inviting all to visit them in their new home in Belleville. Dainty refreshments were served and a social hour

brought a happy evening to a close.

An eight-year-old Marmora girl, Nancy Mah, daughter of Mr. and Mrs. Cecil Mah, is in St. Joseph's Hospital, Peterborough, with a broken leg and facial lacerations following a hit-and-run accident in Marmora Village on Saturday. The accident occurred about 6 p.m. on Saturday, at the intersection of No. 7 and No. 14 highways. She was rushed to the Peter-

said she is resting as well as can be expected.

A groom was married sitting on a stool Saturday after he fainted twice during a wedding ceremony at St. Giles Presbyterian Church, Peterboro. The groom had just begun to make his vows when he faltered and slumped to the floor. He was revived with water but collapsed again shortly after the minister resumed the ceremony. The groom's mother cried, "He's dead." But the man, revived for

CARDS OF THANKS
We would like to express our sincere thanks for the gifts we received from the White Lake Community.
Wayne and Debbi Preston. 34-1

We would like to thank our daughter and son, relatives, neighbours and friends for the surprise party held in the Legion Hall on the occasion of our 25th wedding Anniversary and for the lovely gifts of a colour portable television and stand, and other gifts. Thanks to those who helped with the lunch or helped in any way to make the evening so enjoyable.
Again our thanks,
Mac & Vera Davies. 34-1p

I wish to express a very sincere thank you to the many friends and relatives who remembered me with letters, cards, personal messages, visits, flowers and gifts. Also my Doctors, nurses, staff, other patients and all others who even in a very small way helped to make my stay in the hospital more pleasant. Your kindness, concern and friendliness are much appreciated.
Alma Blackburn.

IN MEMORIAM
PARKS — In loving memory of Joyce who passed away August 27th, 1970. Wonderful memories woven in gold.
This is the picture I tenderly hold
Deep in my heart a memory to keep
To love, to cherish, to never forget.
Sadly missed and lovingly remembered by Viola. 34-1p

former cook at the university of Toronto and resident of the Madoc area for the past 39 years, Monte (Monty) Howard, died Wednesday, August 22, in Belleville General Hospital following a lengthy illness. He was in his 56th year.
Born in England, he was the son of the late Mr. and Mrs. Robert Howard and was a member of the Anglican Church.
Never married, he is survived only by a sister Mrs. Laurie (May) Murdoch, R.R. 5, Madoc. The funeral was held on Friday afternoon, August 24th, with service conducted in the MacKenzie Funeral Home, Madoc by Rev. D. W. Heard.
Interment took place in White Lake Cemetery.
Bearers were: Percy Keller, Leo Coveney, Leslie Blakely, Clarence Farrow, Kenneth Holland and Truman McCann.

WILLIAM HENRY CREDICOTT
Actinolite, Ontario
A highly respected resident of Actinolite, where he resided for the past 26 years, William Henry Credicott, entered into rest at Belleville General Hospital, on Tuesday, August 21st, 1973, at the age of 73 years. He had been in ill-health for the past six months.
Mr. Credicott was born at Actinolite, the son of the late William Credicott and the former Emma Carterfield, also deceased. The deceased had previously resided at Niagara Falls, New York, before moving to Actinolite (the place of his birth) to live, and he had received his education in the Roslin school.
He is immediately survived by his wife, the former Lillie Mae

IN MEMORIAM
PARKS — In memory of Joyce Parks, who passed away on August 27th, 1970. Where the breezes gently blow Lies one we loved so dearly And lost three years ago. She left behind some aching hearts
That loved her most sincere
We never have, and never will,
Forget you, Mother, Dear.
Always remembered by Marlene, Janine, Bonny, Johnny and Larry. 34-1p

PARKS — In loving memory of Joyce Parks, who passed away August 27, 1970. Wonderful memories woven in gold.
This is the picture we tenderly hold.
Deep in our hearts a memory is kept.
To love, to cherish, to never forget,
We mention your name and speak of you often,
God bless you Joyce, you are not forgotten.
The midnight stars are shining,
Upon your silent grave,
Beneath it sleeps the one we loved,
The one we could not save,
As long as life our hearts shall hold.
Your memory ever dear,
And o'er your grave in loving grief,
Shall fall our silent tears.
Ever remembered by Donna. 34-1p

PARKS — In loving memory of Joyce Parks, who passed away suddenly three years ago on August 27, 1970. You can only have one Mother, Patient, kind and true, No other friend in all the world Will be as true to you.
For all her loving kindness, She asked nothing in return, If all the world deserts you, To your Mother you can turn. So all we can do, dear Mother, Is to go and tend your grave, And leave behind a token of love.
To the best Mother God ever gave.
Always remembered by Clinton and Cheryl. 34-1p

TOMLINSON — In loving memory of a dear Father and Grandfather, Rev. W. L. Tomlinson, who passed away September 1st, 1971. Today recalls the memory Of a loved one gone to rest And those who think of him to-day
Are those who loved him best. The flowers we lay upon his grave May wither and decay But the love for him who lies beneath Will never fade away.
Always remembered by daughter, Mabel, son-in-law John and grandchildren. 34-1

to Maine, U.S.A. Also surviving are a brother and a sister Mrs. Fred (Hazel) Gould, of Actinolite and Mr. Lee Credicott, of Havelock, Ontario.
Mr. Credicott was retired from Prudential Insurance Company, of the United States of America, with whom he was associated. He was a member of the United Church of Canada, and at the time of his passing, was both Elder and Treasurer of his local United Church.
The deceased was most active in municipal and township life, which extended over the past twenty years. He served in the capacity of assessor and as clerk-treasurer for the Township of Elzevir for many years, and as a councillor in Elzevir Township for the past four years.
The body rested at the Bush Funeral Home, Tweed, until Friday, August 24th, when the funeral service was conducted in the Chapel of the Funeral Home at 2:30 p.m. with Reverend I. E. Munro officiating.
Interment was in the Actinolite Cemetery.
The following acted as pallbearers: Kenneth Smith, Lloyd (Bud) Price, Kenneth Cassidy, Joseph Kehoe, Jack Robinson and Ed. Alexander.

Executive Meets
(Continued from Page 1)
that he could not continue as Chairman in the continuing absence of information pertaining to water control matters.
Steven Fisher, Senior Supervisor of the S.W.E.E.P. program gave a comprehensive progress report on the current S.W.E.E.P. program. He stated that the technical program instituted in 1973 is receiving much favourable comment in Ontario.
The Resources Manager reported the results of a fill application inspection and recommended that a permit be issued.
H. Thompson - K. Smith - that, the fill application of James A. Pitts, R.R. 2, Madoc be approved.
K. Smith - D. Harvey - that, copies of all mail going to Government Offices be sent to the three Provincial Members of Parliament who represent Moira River Conservation Authority Municipalities.
The meeting adjourned at 10:00 p.m.
G. Hughes, Chairman.
J. H. McLeod, Secretary - Treasurer.

A meeting of the Conservation Areas Advisory Board was held on August 13, 1973, with the following members present: D. Harvey, Chairman of the Board; T. Gillett, Board Vice-Chairman; L. Syer, B. Thompson, Mrs. L. Wishart and Mrs. A. Kuglin.
Also present were: J. Uens, Parks Supervisor, Ministry of Natural Resources, Tweed, The Authority Superintendent, E. Kuglin Technical Advisor, O'Hara Museum, S.W.E.E.P. Project, The Resources Manager and the Secretary-Treasurer.
Moved by L. Wishart - seconded by H. Thompson - that, the minutes of a meeting held on April 11, 1973 be adopted as read.
The members discussed highway and other Conservation Authority signs - a revised standard highway sign is still

House Committee by Mr. Barnes
this summer. 4. Specific recommendations re the house-keeping of the homestead, appointing a specific person, hired to do the cleaning only. I do not think S.W.E.E.P. students should use valuable time in such tasks as it detracts from the work at hand i.e. guiding and cataloguing. 5. The installation of a telephone for the summer months.
Keeping the Homestead accessible and available to the public has been of tremendous value in Education and Public Relations.
The House Committee will meet in September to review the Summers' activities and progress prior to closing the house for the winter months.
Respectfully submitted, Alison Kuglin.
A. Kuglin - H. Thompson - that, this Board adopt the report of the O'Hara House Committee.
L. Wishart - A. Kuglin - that, the donation of the original O'Hara organ by Mrs. Dafee be accepted and that, the organ acquired from Mr. Runnels be returned to him or otherwise disposed of.
Urgent recommendations by the House Committee and the Museums Adviser included the installation of a telephone during the summer months and the provision of adequate fire extinguishers.
T. Gillett - G. Hughes - that, an accessions Committee be appointed as recommended by the House Committee.
A. Kuglin - L. Syer - that, Mrs. L. Wishart represent the House Committee on the Accessions Committee.
T. Gillett - H. Thompson - that, G. Hughes and D. Harvey be members of the Accessions Committee.
Elizabeth Kuglin, Technical Adviser in charge of the O'Hara Museum S.W.E.E.P. project gave a brief but comprehensive report on the project. A detailed report will be presented later together with recommendations for consideration if the project is continued in 1974.

O.P.P. REPORT

During the week of August 17th - August 24th there were 12 motor vehicle collisions investigated resulting in approximately \$8,000.00 damages, seven personal injuries and 10 charges.

Eight thefts were reported to this office; some of which are as follows: August 17, 1973 - theft of vehicle parts estimated at \$20.00; August 18, 1973 - theft of equipment estimated at \$20.00; August 20, 1973 - theft of mailbox estimated at \$20.00; August 22, 1973 - theft of garden produce; August 23, 1973 - theft of garden produce. These thefts are still under investigation.

Three disturbances in the village of Marmora have resulted in one female and one male being charged with "Cause a Disturbance". Report of disturbances in the villages of Tweed and Madoc have led to the laying of charges of "Cause a Disturbance by Fighting" against four male subjects.

A Hungerford Township man has been charged with "Assault Causing Bodily Harm" following an investigation into a report of a man being beaten up.

Four complaints of malicious damage are under investigation. Calls are being received from local farmers reporting theft of livestock. To date five calves and one cow have been reported as stolen. Estimated value of livestock is \$1,400.00.

While on routine patrol in the hamlet of Roslin, a Madoc Detachment officer attempted to stop a vehicle. A chase ensued and, upon investigation of objects being thrown from vehicle, one charge under the "Narcotic Control Act" has been laid.

Intoxicated in Public, 2; Impaired Drivers, 2.

Drivers! Drowsiness behind the wheel can cost you your life. Fighting heavy eyelids with eyes just aching to close is a dangerous struggle. If you're even a little drowsy... stop driving. A short rest can be amazingly refreshing. By stopping for a hot beverage... a short nap... or a brisk walk, you can help prevent a serious collision. To avoid drowsiness while driving, make sure you have lots of fresh air and keep your eyes busy checking front, sides and rear. Remember... driver drowsiness can be deadly. Don't risk it!!!
